Expiration Date: 12/31/2023

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant in years in which the grantee is not permitted to file an abbreviated plan. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

	1.1 Check which components you will operate under the LIHEAP program. (Note: You must provide information for each component designated here as requested elsewhere in this plan.)	Dates of Operation	
		Start Date	End Date
<input checked="" type="checkbox"/>	Heating assistance	11/01/2023	03/15/2024
<input checked="" type="checkbox"/>	Cooling assistance	04/15/2024	08/30/2024

<input checked="" type="checkbox"/>	Weatherization assistance	10/02/2023	09/30/2024

Provide further explanation for the dates of operation, if necessary

Regular benefits under Heating Assistance component will operate from 11/1/2023 through 3/15/2024 or until funding allocated to this program is exhausted, whichever comes first. Benefits under the regular component may be extended beyond the proposed 3/15/2024 closing date if New York State receives additional funding. This Plan is based on an assumption of flat Federal funding.

Emergency benefits under Crisis Assistance will operate from 1/2/2024 through 3/15/2024.

New York State will operate a Heating Equipment Repair and Replacement component under Crisis Assistance from 10/02/2023 until 9/30/2024, or until funding allocated to this component is exhausted, whichever comes first.

New York State will operate a Clean and Tune benefit under Heating Assistance from 10/02/2023 and to close on 09/30/2024, or until funding allocated to this program is exhausted, whichever comes first.

New York State will operate a Cooling Assistance component from 4/15/2024 until 8/30/2024, or until funding allocated to this component is exhausted, whichever comes first.

Weatherization assistance in New York State is administered by the New York State Homes and Community Renewal (HCR) and the New York State Energy Research and Development Authority (NYSERDA).

Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

1.2 Estimate what amount of available LIHEAP funds will be used for each component that you will operate: The total of all percentages must add up to 100%.	Percentage (%)
Heating assistance	48.00%
Cooling assistance	4.00%

Crisis assistance	23.00%
Weatherization assistance	15.00%
Carryover to the following federal fiscal year	0.00%
Administrative and planning costs	10.00%
Services to reduce home energy needs including needs assessment (Assurance 16)	0.00%

1.5 Do you automatically enroll households without a direct annual application? Yes No

If Yes, explain:

Whenever Temporary Assistance or TA is used in this document, it means Family Assistance and Safety Net Assistance. Statutorily, these programs are referred to as Public Assistance. Temporary Assistance (TA) and Supplemental Nutrition Assistance Program (SNAP) recipients who are in receipt of ongoing benefits are considered to be categorically income eligible, but these recipients must also meet all other eligibility criteria in order to be eligible for a Regular benefit. These recipients consent to have their eligibility determined for HEAP through the Automatic Payment (Autopay) process when they complete and submit a NYS Application for Certain Benefits and Services (LDSS-2921), Recertification Application for Certain Benefits and Services for TA or SNAP (LDSS-3174), or Supplemental Nutrition Assistance Program (SNAP) Application/Recertification (LDSS-4826). The consent language is found in the consent section of each application. TA and SNAP recipients who are categorically income eligible, meet all other eligibility criteria and are in receipt of ongoing benefits at the time of the Autopay pull down are not required to complete a separate HEAP application. OTDA uses the TA and SNAP eligibility information found in the Welfare Management System (WMS) at the time of the Autopay pull down to determine the household's income eligibility for HEAP, as well as other eligibility criteria. If all HEAP eligibility factors, including vendor information, can be collected from WMS, a Regular eligibility determination is made and a payment amount is electronically issued, as appropriate, to either the vendor or household. Clients approved for a regular benefit via the Autopay process receive a notice of approval containing the eligibility factors used to determine their eligibility, the amount of the benefit and their fair hearing rights. Regular heat-included benefits may be paid directly to a recipients utility account or directly to the household, if the household does not pay utility directly for domestic electric. All other HEAP benefits including the regular heating benefit must be paid directly to a vendor. Heat included households are households that do not make payments directly to a vendor for their primary heating but make undesignated payments for heat as a portion of their rent and are in an eligible living arrangement. If required HEAP eligibility factors beyond income eligibility cannot be retrieved from WMS, the case appears on an exception report for required social services district (district) review and eligibility determination. To enhance participation and benefits for households enrolled in SNAP after the Heating Assistance component closes, NYS will obligate FFY 2024 funds to the FFY25 program and continue issuing nominal assistance benefits to SNAP households that make undesignated payments for heat as a portion of their rent and have not already been approved for HEAP during the FFY 2024 program year. The balance of the benefits, if warranted, will be issued as part of the FFY 2025 Autopay process.

1.6 How do you ensure there is no difference in the treatment of categorically eligible households from those not receiving other public assistance when determining eligibility and benefit amounts?

Eligibility criteria for each program component are applied uniformly to all applicant households.

SNAP Nominal Payments

1.7a Do you allocate LIHEAP funds toward a nominal payment for SNAP households? Yes No

If you answered "Yes" to question 1.7a, you must provide a response to questions 1.7b, 1.7c, and 1.7d.

1.7b Amount of Nominal Assistance: \$21.00

1.7c Frequency of Assistance

1.7d How do you confirm that the household receiving a nominal payment has an energy cost or need?	
<p>OTDA and social services districts (districts) confirm that a household that receives a nominal payment has an energy cost or need based on information contained in the case record and in WMS.</p> <p>Clients must provide documentation of direct or indirect responsibility of incurred energy costs. A direct energy burden must be documented through vendor fuel bill or fuel bill receipt, a statement from the vendor or collateral contact with the vendor specifying who pays the bill and to whom the bill is paid. Households that pay energy costs indirectly, in the form of rent, must document their energy cost in the form of a landlord statement or a signed lease agreement between the applicant and the landlord.</p> <p>NYS HEAP Manual Chapter 8, Section F (Rev.07/21)</p> <p>c. Section 2 - HEATING ASSISTANCE

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01
OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 2 - Heating Assistance

Eligibility, 2605(b)(2) - Assurance 2

2.1 Designate the income eligibility threshold used for the heating component:

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	1	State Median Income	60.00%
2	2	State Median Income	60.00%
3	3	State Median Income	60.00%
4	3	State Median Income	60.00%
5	5	State Median Income	60.00%
6	6	State Median Income	60.00%
7	7	State Median Income	60.00%
8	8	State Median Income	60.00%
9	9	State Median Income	60.00%
10	10	State Median Income	60.00%
11	11	State Median Income	60.00%
12	12	HHS Poverty Guidelines	150.00%

2.2 Do you have additional eligibility requirements for HEATING ASSISTANCE? Yes No

2.3 Check the appropriate boxes below and describe the policies for each.

Do you require an Assets test? Yes No

Do you have additional/differing eligibility policies for:

Renters? Yes No

Renters Living in subsidized housing? Yes No

Renters with utilities included in the rent? Yes No

Do you give priority in eligibility to:

Elderly? Yes No

Disabled? Yes No

Young children? Yes No

Households with high energy burdens? Yes No

Other? Yes No

Explanations of policies for each "yes" checked above:

Households that do not make payments directly to a vendor for their primary heating, but make undesignated payments for heat as a portion of their rent and reside in an eligible living arrangement will receive a benefit based on the two-tier payment structure. A household's tier is based on their gross monthly income taking into account household size.

Variables that determine benefit level explanation for households that pay directly for heat:

Tier I eligibility is based on gross income and household size, on the date of application the household's gross income must be at or below 130% of federal poverty level for the household size; or at least one adult household member must be in receipt of Temporary Assistance (TA), Supplemental Nutrition Assistance (SNAP) or Code A SSI. Tier I will receive an additional \$41 to their base benefit.

Households with a vulnerable member (under the age of six, age 60 or older, or permanently disabled) will receive an additional \$35 to their base benefit.

*If a household meets the criteria for both, the maximum total Regular benefit is \$976. The Regular benefit for oil, kerosene and propane of \$900, plus an additional \$35 for households containing a vulnerable household member and \$41 for Tier I households.

NYS's Regular HEAP benefit structure assists households that pay a high proportion of household income for energy. As research has shown that heat included households consume less energy than households that pay directly for heat and are, therefore, less likely to have a high home energy burden, higher benefit levels are provided to households that pay directly for heat than to heat included households. In addition to targeting high burden households, higher benefits are provided to those households that have the lowest income.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

NYS provides early application access to households with a vulnerable member (under the age of six, age 60 or older, or permanently disabled). In addition, these households receive an additional \$35 to their base regular benefit if eligible.

2.5 Check the variables you use to determine your benefit levels. (Check all that apply):

- Income
- Family (household) size
- Home energy cost or need:
 - Fuel type
 - Climate/region
 - Individual bill
 - Dwelling type
 - Energy burden (% of income spent on home energy)
 - Energy need
 - Other - Describe:

Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.6 Describe estimated benefit levels for the fiscal year for which this plan applies

Minimum Benefit	\$21	Maximum Benefit	\$976
-----------------	------	-----------------	-------

2.7 Do you provide in-kind (e.g., blankets, space heaters) and/or other forms of benefits? Yes No

If yes, describe.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 3 - COOLING ASSISTANCE

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01
OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 3 - Cooling Assistance

Eligibility, 2605(c)(1)(A), 2605 (b)(2) - Assurance 2

3.1 Designate The income eligibility threshold used for the Cooling component:

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	1	State Median Income	60.00%
2	2	State Median Income	60.00%
3	3	State Median Income	60.00%
4	4	State Median Income	60.00%
5	5	State Median Income	60.00%
6	6	State Median Income	60.00%
7	7	State Median Income	60.00%
8	8	State Median Income	60.00%
9	9	State Median Income	60.00%
10	10	State Median Income	60.00%
11	11	State Median Income	60.00%
12	12	HHS Poverty Guidelines	150.00%

3.2 Do you have additional eligibility requirements for COOLING ASSISTANCE? Yes No

3.3 Check the appropriate boxes below and describe the policies for each.

Do you require an Assets test? Yes No

Do you have additional/differing eligibility policies for:

- Renters?** Yes No
- Renters Living in subsidized housing?** Yes No
- Renters with utilities included in the rent?** Yes No

Do you give priority in eligibility to:

- Elderly?** Yes No
- Disabled?** Yes No
- Young children?** Yes No
- Households with high energy burdens?** Yes No
- Other? Applicants with a documented medical need.** Yes No

Explanations of policies for each "yes" checked above:

In addition to meeting NYS's income eligibility and living arrangement eligibility criteria, all applicants for the Cooling Assistance component must have a medical condition, which is exacerbated by heat and verified in writing by a physician, physician's assistant or nurse practitioner and do not have a working air conditioner that is newer than five years. Applicants are only eligible for a Cooling Assistance benefit once every five years. Applicants that are pended for a written statement from their doctor regarding their medical condition that cannot obtain documentation may contact the district and attest to both having a medical condition exacerbated by heat and that they are not able to obtain written documentation.

Households containing a vulnerable member (elderly age 60 years or older, or young children under age 6) which meet all other component eligibility criteria may receive cooling assistance benefits without a corresponding medical need.

NYS (NYS) does not provide a cash cooling benefit. NYS will not authorize a HEAP payment of more than \$800 for a single window or portable air conditioner/fan or \$1,000 for a wall sleeve air conditioner unit. The benefit amount is determined by the actual cost of equipment, materials and labor necessary to establish a cooling area and is issued directly to the vendor. The benefit is not applied to the client's electric bill, nor is it issued to the client as a cash benefit.

3.4 Describe how you prioritize the provision of cooling assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Applicants with a documented medical need.

Households containing a vulnerable member (elderly age 60 years or older, or young children under age 6) which meet all other component eligibility criteria may receive cooling assistance benefits without a corresponding medical need.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

3.5 Check the variables you use to determine your benefit levels. (Check all that apply):

- Income
- Family (household) size
- Home energy cost or need:
 - Fuel type
 - Climate/region
 - Individual bill
 - Dwelling type
 - Energy burden (% of income spent on home energy)
 - Energy need
- Other - Describe:

NYS does not provide a cash cooling benefit, NYS only provides an air conditioner or fan if medically necessary. NYS will authorize a HEAP payment up to \$800 for a single window or portable air conditioner/fan or up to \$1,000 for a wall sleeve air conditioner unit if the household has an existing wall sleeve.

To be eligible for the air conditioner or fan, households must meet HEAP income standards for their household size (i.e., 60% SMI or 150% FPL, whichever is greater).

Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

3.6 Describe estimated benefit levels for the fiscal year for which this plan applies

Minimum Benefit	\$1	Maximum Benefit	\$1,000
------------------------	-----	------------------------	---------

3.7 Do you provide in-kind (e.g., fans, air conditioners) and/or other forms of benefits? Yes No

If yes, describe.

Additional eligibility explanation:

In addition to meeting NYS's income eligibility and living arrangement eligibility criteria, all applicants for the Cooling Assistance component must have a medical condition, which is exacerbated by heat, and verified by a physician, physician's assistant or nurse practitioner and do not have a working air conditioner that is newer than five years. Applicants are only eligible for a Cooling Assistance benefit once every five years.

NYS does not provide a cash cooling benefit, NYS only provides an air conditioner or fan if medically necessary. NYS will authorize a HEAP payment up to \$800 for a single window or portable air conditioner/fan, or up to \$1,000 for a wall sleeve air conditioner unit if the household has an existing wall sleeve. The benefit amount is determined by the actual cost of equipment, material, and labor necessary to establish a cooling area and is issued directly to the vendor. The benefit is not applied to the client's electric bill, nor is it issued to the client as a cash benefit.

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	1	State Median Income	60.00%
2	2	State Median Income	60.00%
3	3	State Median Income	60.00%
4	4	State Median Income	60.00%

10	10	State Median Income	60.00%
11	11	State Median Income	60.00%
12	12	HHS Poverty Guidelines	150.00%

4.2 Provide your LIHEAP program's definition for determining a crisis.

The definition of a crisis emergency is when loss of heat is imminent. Imminent loss of heat is defined as less than 1/4 tank for oil, kerosene, or propane or less than a ten-day supply for other deliverable fuels, or heat or heat related utility service is scheduled for termination. Any HEAP eligible household's crisis emergency must be resolved within 48 hours from the time of the emergency application.

4.3 What constitutes a life-threatening crisis?

The definition of life-threatening emergency is when a HEAP applicant or recipient household is without heat or utility service to operate a heating source. Any HEAP eligible household's life-threatening emergency must be resolved within 18 hours from the time of the emergency application.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48Hours

4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18Hours

Crisis Eligibility, 2605(c)(1)(A)

4.6 Do you have additional eligibility requirements for CRISIS ASSISTANCE? Yes No

Explanations of policies for each "yes" checked above:	
<p>In addition to verified crisis emergency, as described in Sections 4.2 and 4.3, meeting income, residence, citizenship, living situation, responsibility for heating costs, and providing a valid social security number for all household members, applicants for crisis assistance must have exhausted their Regular benefit, and meet the asset test in order to be eligible. If the applicant for crisis assistance has a credit remaining from their regular benefit but the credit is less than the minimum delivery amount for a deliverable fuel, the applicant can receive a crisis benefit if otherwise eligible.</p> <p>All applicants and household members for crisis assistance are asset (resource) tested. Applicants for the Emergency benefit component must not have more than \$2,500 (or \$3,750 for households that includes a vulnerable member, elderly age 60 years or older, or young children under age 6) in available liquid resources in order to be eligible. For Heating Equipment Repair and Replacement benefits, all applicants receive a standard resource exclusion of \$10,000 in available liquid resources. Only available liquid resources are counted. Declared liquid resources can be verified using the following: checking account statements, savings statements or bankbooks, stock certificates, bank or dividend statements, savings bonds, and statements from the institution where funds are deposited or managed.</p> <p>Applicants for the Heating Equipment Repair and Replacement component must meet the income and resource eligibility criteria in addition to having equipment that is unsafe or inoperable, the heating equipment must have been the primary equipment in the 12 months prior to the month of application, and the applicant must own the dwelling and have resided in it for the 12 months prior to the month of application.</p> <p>Households residing in certain living arrangement categories listed below are only eligible for a maximum annual HEAP Regular benefit of \$21 and are not eligible for Emergency HEAP, with the exception of eligible households in government subsidized housing with heat included in the rent and that pay a supplier directly for heat-related utility service. These households may be eligible for a HEAP heat-related Emergency benefit if such benefit is necessary to resolve the heat-related energy crisis of the household.</p> <p>The following living arrangements are eligible for \$21 benefit:</p> <ul style="list-style-type: none"> • Government subsidized housing with heat included in the rent; • Publicly operated or State-certified private non-profit residential drug or alcoholic treatment facilities; • Private non-profit residential drug or alcoholic treatment facilities that are authorized as a SNAP retailer by the USDA or are in receipt of a letter from the certifying State agency stating that the facility operates to further the goals of Title XIX; • Publicly operated or State-certified private non-profit enriched housing; • Publicly operated or State-certified non-profit residential group living facilities serving no more than 16 residents; • Publicly operated or State-certified private non-profit supervised or supportive living arrangements; or • State operated community residences.

4.8 How do you handle crisis situations?	
<input checked="" type="checkbox"/>	Separate component
<input type="checkbox"/>	Fast Track
<input checked="" type="checkbox"/>	Other - Describe: <p>If the Regular HEAP component is open and if a household has yet to apply for and receive a Regular benefit, NYS will utilize the Regular benefit to ameliorate an energy emergency. OTDA HEAP policy requires districts take appropriate action to resolve applicant energy related life-threatening or crisis energy emergency, as declared at the time of application for HEAP benefits as follows:</p> <p>(1) No later than 18 hours after a household applies for benefits and declares an energy emergency, districts must provide some form of assistance that will resolve the life-threatening energy emergency.</p> <p>(2) No later than 48 hours after a household applies for benefits and declares an energy emergency, districts must provide some form of assistance that will resolve the energy emergency.</p> <p>If HEAP eligibility cannot be determined within the 18 to 48-hour timeframe and thus the emergency cannot be resolved with the issuance of a HEAP benefit, the district must take at least one of the following actions:</p> <p>(1) Referral to Temporary Assistance</p> <p>(2) Referral to community resource</p>

	<p>(3) Verify the availability of or access to safe supplemental heat</p> <p>(4) Verify access to temporary alternate housing</p>

Crisis Requirements, 2604(c)

4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?

Yes No **Explain.**

Applicants may apply for crisis assistance via a telephone application with the exception of heating equipment repair replacement assistance. There is also a certification network in all districts for walk-in applicants.

4.11 Do you provide individuals who are physically disabled the means to:

Submit applications for crisis benefits without leaving their homes?

Yes No **If No, explain.**

Travel to the sites at which applications for crisis assistance are accepted?

Yes No **If No, explain.**

If you answered "No" to both options in question 4.11, please explain alternative means of intake to those who are homebound or physically disabled?

Applicants may apply for crisis assistance by telephone application with the exception of heating equipment repair replacement assistance. In addition, local districts have homebound unit staff that can travel and assist homebound applicants in their own homes.

Benefit Levels, 2605(c)(1)(B)

4.12 Indicate the maximum benefit for each type of crisis assistance offered.

Winter Crisis	\$900.00 maximum benefit
Summer Crisis	\$0.00 maximum benefit
Year-round Crisis	\$0.00 maximum benefit

4.13 Do you provide in-kind (e.g. blankets, space heaters, fans) and/or other forms of benefits?

Yes No **If yes, Describe**

The districts provide eligible households temporary relocation with a maximum total benefit not to exceed \$500 per program year. The districts must also provide propane tank deposits to eligible households with a maximum total benefit not to exceed \$500 per program year.

4.14 Do you provide for equipment repair or replacement using crisis funds?

Yes No

If you answered "Yes" to question 4.14, you must complete question 4.15.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 5: WEATHERIZATION ASSISTANCE

Eligibility, 2605(c)(1)(A), 2605(b)(2) - Assurance 2

5.1 Designate the income eligibility threshold used for the Weatherization component

Add	Household Size	Eligibility Guideline	Eligibility Threshold
1	1	State Median Income	60.00%
2	2	State Median Income	60.00%
3	3	State Median Income	60.00%
4	4	State Median Income	60.00%
5	5	State Median Income	60.00%
6	6	State Median Income	60.00%
7	7	State Median Income	60.00%
8	8	State Median Income	60.00%
9	9	State Median Income	60.00%
10	10	State Median Income	60.00%
11	11	State Median Income	60.00%
12	12	HHS Poverty Guidelines	150.00%

5.2 Do you enter into an interagency agreement to have another government agency administer a WEATHERIZATION component? Yes No

5.3 If yes, name the agency. New York State Homes and Community Renewal (HCR) and New York State Energy Research and Development Authority (NYSERDA)

5.4 Is there a separate monitoring protocol for weatherization? Yes No

WEATHERIZATION - Types of Rules

5.5 Under what rules do you administer LIHEAP weatherization? (Check only one.)

- Entirely under LIHEAP (not DOE) rules
- Entirely under DOE WAP (not LIHEAP) rules
- Mostly under LIHEAP rules with the following DOE WAP rule(s) where LIHEAP and WAP rules differ (Check all that apply):
 - Income Threshold
 - Weatherization of entire multi-family housing structure is permitted if at least 66% of units (50% in 2- & 4-unit buildings) are eligible units or will become eligible within 180 days
 - Weatherize shelters temporarily housing primarily low income persons (excluding nursing homes, prisons, and similar institutional care facilities).
 - Other - Describe:
- Mostly under DOE WAP rules, with the following LIHEAP rule(s) where LIHEAP and WAP rules differ (Check all that apply.)
 - Income Threshold
 - Weatherization not subject to DOE WAP maximum statewide average cost per dwelling unit.
 - Weatherization measures are not subject to DOE Savings to Investment Ratio (SIR) standards.
 - Other - Describe:

HCR does not have a minimum investment per unit for weatherization, the average cost per unit is approximately \$7000. NYSERDA measures are not subject to DOE SIR standards.

HCR and NYSERDA give priority to LIHEAP recipients with eligibility limited to households with incomes at or below 60% of State Median Income or 150% of the Federal Poverty Level, whichever is higher.

Eligibility, 2605(b)(5) - Assurance 5

5.6 Do you require an assets test? Yes No

5.7 Do you have additional/differing eligibility policies for :

Renters Yes No

Renters living in subsidized housing? Yes No

5.8 Do you give priority in eligibility to:

Elderly? Yes No

Disabled? Yes No

Young Children? Yes No

House holds with high energy burdens? Yes No

Other? Declared Disasters Yes No

If you selected "Yes" for any of the options in questions 5.6, 5.7, or 5.8, you must provide further explanation of these policies in the text field below.

5.7 In accordance with the US DOE rules, rental building eligibility is limited to those buildings where 66% or more units (or 51% for projects that will realize significant energy savings) are occupied by eligible households. Owners of the rental buildings, that are not themselves income eligible households, must contribute 15-25% of the cost of the work being done for the building to participate. To help maintain affordability in assisted housing, most owners of State and federally subsidized housing are exempt from this required contribution.

5.8 Providers are required to give priority for service to HEAP households with elderly persons, households with children under 18 years of age, households that include persons with disabilities, HEAP recipients with extremely high energy use or high energy burdens, and affordable housing projects assisted HCR and NYSERDA.

Benefit Levels

5.9 Do you have a maximum LIHEAP weatherization benefit/expenditure per household? Yes No

5.10 If yes, what is the maximum? \$0

Types of Assistance, 2605(c)(1), (B) & (D)

5.11 What LIHEAP weatherization measures do you provide ? (Check all categories that apply.)

<input checked="" type="checkbox"/> Weatherization needs assessments/audits	<input checked="" type="checkbox"/> Energy related roof repair

Section 6: Outreach, 2605(b)(3) - Assurance 3, 2605(c)(3)(A)

6.1 Select all outreach activities that you conduct that are designed to assure that eligible households are made aware of all LIHEAP assistance available:

Place posters/flyers in local and county social service offices, offices of aging, Social Security offices, VA, etc.

Publish articles in local newspapers or broadcast media announcements.

Include inserts in energy vendor billings to inform individuals of the availability of all types of LIHEAP assistance.

Mass mailing(s) to prior-year LIHEAP recipients.

Inform low income applicants of the availability of all types of LIHEAP assistance at application intake for other low-income programs.

Execute interagency agreements with other low-income program offices to perform outreach to target groups.

Other (specify):

Toll free information hotline operated by NYS OTDA 1-800-342-3009, provides information about the program and printable applications are available on the OTDA internet site when the program is open.

Identification of households potentially eligible for LIHEAP funded weatherization services and assessing the need for identified households.

State and local resources dedicated to implementing mandated outreach plans and program dissemination activities.

Targeted efforts by OTDA, NYSOFA, NYSHCR, NYSERDA and the NYS Department of Health (DOH) to provide program information and access to vulnerable households.

Alternate Outreach and Intake, 2605(b)(15) - Assurance 15

If you selected "Welfare Agency" in question 8.1, you must complete questions 8.2, 8.3, and 8.4, as applicable.

8.2 How do you provide alternate outreach and intake for HEATING ASSISTANCE?

As with other income tested assistance programs administered by NYS OTDA, HEAP is State supervised/locally administered with 58 social service districts (districts) designated as the lead local agencies for outreach, certification, and payment. Prior to program start-up, each district must establish a local certification network that provides for an alternative non-district site(s) for a reasonable share of outreach and intake for regular and emergency HEAP assistance. The district may contract with other State or local government entities or community-based organizations to fulfill this mandate. Examples of community-based organizations include not-for-profit neighborhood-based organizations, local Offices for the Aging, and community action agencies. These outside agencies are not tied to the receipt of TA and are available to any community member seeking assistance with heating costs. They operate outside of the TA framework located within the social services districts.

8.3 How do you provide alternate outreach and intake for COOLING ASSISTANCE?

As with other income tested assistance programs administered by NYS OTDA, HEAP is State supervised/locally administered with 58 social service districts (districts) designated as the lead local agencies for outreach, certification, and payment. Prior to program start-up, each district must establish a local certification network that provides for an alternative non-district site(s) for a reasonable share of outreach and intake for regular and emergency HEAP assistance. The district may contract with other State or local government entities or community-based organizations to fulfill this mandate. Examples of community-based organizations include not-for-profit neighborhood-based organizations, local Offices for the Aging, and community action agencies.

8.4 How do you provide alternate outreach and intake for CRISIS ASSISTANCE?

As with other income tested assistance programs administered by NYS OTDA, HEAP is State supervised/locally administered with 58 social services districts (districts) designated as the lead local agencies for outreach, certification, and payment. Prior to program start-up, each district must establish a local certification network that provides for an alternative non-district site(s) for a reasonable share of outreach and intake for regular and emergency HEAP assistance. The district may contract with other State or local government entities or community-based organizations to fulfill this mandate. Examples of community-based organizations include not-for-profit neighborhood-based organizations, local

Offices for the Aging, and community action agencies.

8.5b Who processes benefit payments to gas and electric vendors?	Local County Government	Local County Government	Local County Government	
8.5c who processes benefit payments to bulk fuel vendors?	Local County Government	Local County Government	Local County Government	
8.5d Who performs installation of weatherization measures?				Other

If any of your LIHEAP components are not centrally-administered by a state agency, you must complete questions 8.6, 8.7, 8.8, and, if applicable, 8.9.

8.6 What is your process for selecting local administering agencies?

Local administering agencies are designated pursuant to Section 61 of Article 3 of the NYS Social Services Law:

For the purpose of administration of public assistance and care the state shall be divided into county and city social services districts as follows:

1. The city of New York is hereby constituted a city social services district.
2. Each of the counties of the state not included in subdivision one of this section is hereby constituted a county social services district.

As with other income tested programs administered by NYS OTDA, HEAP is State supervised and locally administered with 58 local social services districts (districts) designated as the lead local agencies for outreach, certification, and payment. Prior to program start-up, each district must establish a local certification network that provides for an alternative non-district site(s) for a reasonable share of outreach and intake for regular and emergency HEAP assistance. The district may contract with other State or local government entities or community-based organizations to fulfill this mandate. Examples of community-based organizations include not-for-profit neighborhood-based organizations, local Offices for the Aging, and community action agencies.

The districts mentioned above are the county departments of social services. Districts execute agreements with community organizations for outreach through alternative certifiers. However the processing of the HEAP applications is completed within the county departments of social services. All county department of social services offices operate and administer HEAP to residents of their county. Local agencies are established in section 357 of NYS Social Services Law, and are not at risk for elimination.

8.7 How many local administering agencies do you use? 58

8.8 Have you changed any local administering agencies in the last year?

 No

8.9 If so, why?

<input type="checkbox"/>	Agency was in noncompliance with grantee requirements for LIHEAP -

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

Eligible households who provide their own cut wood or natural gas may receive a direct payment, if there is reasonable documentation to support that the household has a sufficient fuel supply for the heating season and the household does not have a utility vendor.

9.2 How do you notify the client of the amount of assistance paid?

All applicants are provided with a notice which advises them of their eligibility for the HEAP benefit, the vendor to which the payment was authorized, and the amount paid on their behalf. Local districts have a maximum of 30 business days to notify a client of the eligibility determination from the date of the application. This includes HEAP recipients that receive their benefit through the autopay process.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

Each home energy vendor must sign a NYS HEAP vendor agreement to participate in both the Regular and Emergency components of HEAP. The vendor agreement provides that the home energy vendor agrees and assures to NYS OTDA to charge HEAP recipients, in the normal billing process, the difference between the cost of the home energy and the amount of the HEAP payment made.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Each home energy vendor must sign a NYS HEAP vendor agreement to participate in both the Regular and Emergency components of HEAP. The vendor agreement provides that the home energy vendor agrees and assures to NYS OTDA that the households served by the vendor will not be treated adversely because of such assistance under applicable provision of State law and public regulatory requirements.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01
OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

**LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP)
MODEL PLAN
SF - 424 - MANDATORY**

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

NYS OTDA utilizes fiscal and fund accounting procedures similar to those utilized by the agency and districts in the administration of other income tested programs. Districts are provided with allocations for district payments. All claims by the districts are monitored by NYS OTDA fiscal staff to ensure that allocation levels are not exceeded. The NYS OTDA Welfare Management System (WMS) is used to monitor application activity and benefits authorized outside New York City (NYC). NYC utilizes its own computer system to authorize and pay HEAP benefits and NYC provides reports to NYS OTDA from its system for review.

The use of LIHEAP funds sub-allocated to the NYS Homes and Community Renewal (HCR), NYS Energy Research and Development Authority (NYSERDA), and the NYS Office for the Aging (NYSOFA) is governed by Cooperative Agreements which OTDA enters into with these agencies on an annual basis for weatherization and outreach services. The Cooperative Agreements with HCR and NYSEDA require they transmit fiscal reports to OTDA on a quarterly basis that show the amount of LIHEAP funds obligated and expended by category of expenditure.

OTDA conducts periodic reviews of HCR, NYSEDA and NYSEDA's use of LIHEAP funds. OTDA tracks sub-grantee awards and obligations and OTDA expenditures on a quarterly basis to ensure that funds are expended within the allowable contract/grant period. These expenditures are gathered from the NYS Statewide Financial System (SFS). The SFS system allows OTDA to run reports showing the sub-grantee activity by federal grant year. OTDA also prepares a weekly funding and obligations report which breaks out spending by components such as heating, crisis, equipment repair/replacement and cooling. Refund checks related to federal grants are first deposited in the NYS Treasury and then checks are issued to the federal government referencing the federal grant and fiscal year.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

Yes No

10.3. Describe any audit findings rising to the level of material weakness or reportable condition cited in the A-133 audits, Grantee monitoring assessments, inspector general reviews, or other government agency reviews of the LIHEAP agency from the most recently audited fiscal year.

No Findings

10.4. Audits of Local Administering Agencies

What types of annual audit requirements do you have in place for local administering agencies/district offices?

Select all that apply.

- Local agencies/district offices are required to have an annual audit in compliance with Single Audit Act and OMB Circular A-133
- Local agencies/district offices are required to have an annual audit (other than A-133)
- Local agencies/district offices' A-133 or other independent audits are reviewed by Grantee as part of compliance process.
- Grantee conducts fiscal and program monitoring of local agencies/district offices

Section 11: Timely and Meaningful Public Participation, 2605(b)(12), 2605(C)(2)

**11.1 How did you obtain input from the public in the development of your LIHEAP plan?
 Select all that apply.**

- Tribal Council meeting(s)
- Public Hearing(s)
- Draft Plan posted to website and available for comment
- Hard copy of plan is available for public view and comment
- Comments from applicants are recorded
- Request for comments on draft Plan is advertised
- Stakeholder consultation meeting(s)
- Comments are solicited during outreach activities
- Other - Describe:

Block Grant Advisory Committee, Interagency Taskforce, Equity Collaborative and the Weatherization Assistance Policy Advisory Committee.

11.2 What changes did you make to your LIHEAP plan as a result of this participation?
 The maximum resource limit for HERR was increased from \$3,000 to \$10,000.

Public Hearings, 2605(a)(2) - For States and the Commonwealth of Puerto Rico Only

11.3 List the date and location(s) that you held public hearing(s) on the proposed use and distribution of your LIHEAP funds?

	Date	Event Description
1	08/01/2023	10:00am-11:00am WebEx Public Hearing
2	08/01/2023	5:00pm-6:00pm WebEx Public Hearing

OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? 601

12.2 How many of those fair hearings resulted in the initial decision being reversed? 118

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

None

12.4 Describe your fair hearing procedures for households whose applications are denied.

Individuals whose applications for HEAP benefits are denied are afforded an opportunity for a fair administrative hearing conducted by the NYS OTDA Office of Administrative Hearings. All client notices, both approval and denial, contain information on how to request a fair hearing. All HEAP applications contain information on how to request a fair hearing.

Households whose applications for weatherization assistance with NYSHCR are denied are provided an opportunity for an appeal conducted by NYSHCR through the NYSHCR Appeals Process. Households whose applications for EmPower program services, or successor program EmPower+ with NYSERDA are denied may request a review of the decision by NYSERDA through the NYSERDA Review Process.

12.5 When and how are applicants informed of these rights?

When a client first applies for a HEAP benefit, they are informed of their fair hearing rights in their initial eligibility notification. Also, this information is available on OTDA's website, contained in client informational booklets and the HEAP application instructions.

Households whose applications for NYSHCR administered weatherization and NYSERDA administered EmPower, or successor program EmPower+, services are advised of the right to an appeal, conducted by NYSHCR or a review conducted by NYSERDA by the provision of such rights and information as to how to request an appeal or a review through written denial notices.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

Districts are required to make determinations and provide notification of eligibility decisions on applications for Regular HEAP benefits within 30 business days after the filing of such application or within 30 business days of program opening for applications received during the early outreach period. Applications which are incomplete may be pended for up to 10- business days and the pending period is not counted in the 30-business day timeframe for providing notification.

Individuals whose applications for HEAP benefits are not acted upon within the established timeframes are afforded an opportunity for a fair hearing conducted by NYS OTDA.

Households whose applications for weatherization assistance with NYSHCR are not acted upon in a timely manner are provided an opportunity to appeal through the NYSHCR Appeals Process. Households whose applications for EmPower, or successor program EmPower+, program services with NYSERDA are not acted upon with reasonable promptness may request a review of the decision by NYSERDA through the NYSERDA Review Process.

12.7 When and how are applicants informed of these rights?

Applicants are advised of fair hearing rights for applications that are not acted on in a timely manner at the time of the application by the provision of the "Application Rights" language in the application instructions. This information is also on the OTDA website and in the client informational booklets.

Households whose applications for NYSHCR administered weatherization and NYSERDA administered EmPower services are advised of the right to an appeal, conducted by NYSHCR or a review, conducted by NYSERDA by the provision of such rights and information as to how to request an appeal or a review through written denial notices.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 14:Leveraging Incentive Program, 2607(A)

14.1 Do you plan to submit an application for the leveraging incentive program?

Yes No

14.2 Describe instructions to any third parties and/or local agencies for submitting LIHEAP leveraging resource information and retaining records.

Protocol for submission on leveraging activities to OTDA: Submission of data on leveraging activities is due to NYS OTDA by October 15th of each year.

OTDA instructs third parties and/or local agencies to follow the requirements of 45 CFR 96.87(d) in all submissions for the LIHEAP leveraging incentive program. Those requirements are as follows:

d) Basic requirements for leveraged resources and benefits.

(1) In order to be counted under the leveraging incentive program, leveraged resources and benefits must meet all of the following five criteria:

(i) They are from non-federal sources

(ii) They are provided to the grantee's low-income home energy assistance program, or to federally qualified low-income households as described in section 2605(b)(2) of Public Law 97-35 (42 U.S.C. 8624 (b)(2)).

(iii) They are measurable and quantifiable in dollars.

(iv) They represent a net addition to the total home energy resources available to low-income households in excess of the amount of such resources that could be acquired by these households through the purchase of home energy, or the purchase of items that help these households meet the cost of home energy, at commonly available household rates or costs, or that could be obtained with regular LIHEAP allotments provided under section 2602(b) of Public Law 97-35 (42 U.S.C. 8621(b)).

(v) They meet the requirements for countable leveraged resources and benefits throughout this section and section 2607A of Public Law 97-35 (42 U.S.C. 8626(a)).

(2) Also, in order to be counted under the leveraging incentive program, leveraged resources and benefits must meet at least one of the following three criteria:

(i) The grantee's LIHEAP program had an active, substantive role in developing and/or acquiring the resource/benefits from home energy vendor(s) through negotiation, regulation and/or competitive bid. The actions or efforts of one or more staff of the grantee's LIHEAP program- at the central and/or local level- and/or one or more staff of LIHEAP program subrecipient(s) acting in that capacity, were substantial and significant in obtaining the resource/benefits from the vendor(s).

(ii) The grantee appropriated or mandated the resource/benefit for distribution to low-income households through (that is, within and a part of) its LIHEAP program. The resource/benefit are provided through the grantee's LIHEAP program to low-income households eligible under the grantee's LIHEAP standards, in accordance with the LIHEAP statute and regulations and consistent with the grantee's LIHEAP plan and program policies that were in effect during the base period, as if they were provided from the grantee's federal LIHEAP allotment.

(iii) The grantee appropriated or mandated the resource/benefits for distribution to low-income households as described in its LIHEAP Plan (referred to in section 2605(c)(1)(A) of Public Law 97-35) (42 U.S.C. 8642(c)(1)(A)). The resource/benefits are provided to low-income households as a supplement and/or alternative to the grantee's LIHEAP program, outside (that is, not through, within, or as part of) the LIHEAP program. The resource/benefits are integrated and coordinated with the grantee's LIHEAP program. Before the end of the base period, the Plan identifies and describes the resource/benefits, their source(s), and their integration/coordination with the LIHEAP program. The Department will determine resources/benefits to be integrated and coordinated with the LIHEAP program if they meet at least one of the eight conditions. If a resource meets at least one of conditions A through F when the grantee's LIHEAP program is operating (and meets all other applicable requirements), the resource also is countable when the LIHEAP program is not operating.

14.3 For each type of resource and/or benefit to be leveraged in the upcoming year that will meet the requirements of 45 C.F.R. § 96.87(d)(2)(iii), describe the following:

Resource	What is the type of resource or benefit ?	What is the source(s) of the resource ?	How will the resource be integrated and coordinated with LIHEAP?
1	Weatherization	NYSHCR, NYSERDA	Program (WAP). Owners of rental buildings that are not themselves income-eligible must contribute 15-25% of the cost of the work being done for the building to participate. In addition to multi-family building owner contributions, primary sources for leveraged funds include: the NYSERDA EmPower Multi-family Performance and "Green Jobs/Green NY" programs; and, Utility programs financed through the Clean Energy Fund (CEF) (Case14-M-0094), the Low and Moderate Income (LMI) Case 14-M-0565) and the Reforming the Energy Vision

			(REV) (Case 14-M-0101) proceedings.
2	Non-public fuel funds to assist with utility bills	All Public Service Commission (PSC) regulated utility companies in NYS	All PSC-regulated utilities in NYS operate non-public funded fuel funds to assist their service territory population with payments of energy bills. These resources are targeted to HEAP eligible households that have exhausted their HEAP eligibility or are ineligible because of the unavailability of LIHEAP funding.
3	Low-Income Customer Assistance Plans	NYS Utility Companies	Several NYS utility companies have recently implemented low-income customer assistance plans. The plans consist of two components: rate moderation and uncollectable initiatives, including a negotiated percentage of income plan, coupled with an arrearage forgiveness arrangement.
4	Reduce energy costs through aggregation	NYS OTDA & NYS PSC	In conjunction with various local social services districts and the National Fuel Gas distribution corporation, NYS has established the Temporary Assistance Cooperative for Energy (PACE) program. PACE is a natural gas aggregation program for certain TA recipients in Erie, Chautauqua and Niagara counties in NY. The programs objective is to provide the benefits of competition to low-income payment troubled customers by offering the opportunity to reduce energy costs through aggregation.
5	Fuel buying component	NYS OTDA	OTDA has established a HEAP fuel buying component in NYS. The purpose of this component is to expand the buying power of LIHEAP dollars by obtaining a lower than retail price for HEAP purchased oil, kerosene and propane. This discounted price materially enhances the purchasing power of LIHEAP eligible households.

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP (Benefit Targeting Index, Burden Reduction Targeting Index, Restoration of Home Energy Service, and Prevention of Loss of Home Energy Service). Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

OTDA's performance measurement (PM) implementation plan includes both short and long-term strategies for complete, accurate and timely reporting of LIHEAP Performance data.

OTDA executed vendor agreement addendums in support of PM. The provisions of the addendum included the requirement that vendors collect and securely transmit to OTDA the data required for the completion of PM reporting. Expanding the vendor pool beyond the required minimum increases the volume of data returned, providing more statistically valid results.

Vendors are provided with additional data, tools, and instruction to improve return data accuracy. Each vendor's return file is evaluated for the number of customers with return data, and as well as the reporting of crisis and life-threatening emergencies. Data system enhancements capture customers' domestic electric vendor information, and track crisis and life-threatening emergency situations. This approach permits OTDA to continue to report systematically validated vendor provided data.

Section 18: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or

voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later

determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility an Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

By checking this box, the prospective primary participant is providing the certification set out above.

Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification

number(s) of each affected grant;
 (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
 (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
 (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

40 North Pearl Street * Address Line 1		
Address Line 2		
Address Line 3		
Albany * City	NY * State	12243 * Zip Code

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Section 20: Certification Regarding Lobbying

Section 20: Certification Regarding Lobbying

The submitter of this application certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

By checking this box, the prospective primary participant is providing the certification set out above.

Assurances

Assurances

(1) use the funds available under this title to--

(A) conduct outreach activities and provide assistance to low income households in meeting their home energy costs, particularly those with the lowest incomes that pay a high proportion of household income for home energy, consistent with paragraph (5);

(B) intervene in energy crisis situations;

(C) provide low-cost residential weatherization and other cost-effective energy-related home repair;and

(D)plan, develop, and administer the State's program under this title including leveraging programs, and the State agrees not to use such funds for any purposes other than those specified in this title;

(2) make payments under this title only with respect to--

(A) households in which one or more individuals are receiving--

(i)assistance under the State program funded under part A of title IV of the Social Security Act;

(ii) supplemental security income payments under title XVI of the Social Security Act;

(iii) food stamps under the Food Stamp Act of 1977; or

(iv) payments under section 415, 521, 541, or 542 of title 38, United States Code, or under section 306 of the Veterans' and Survivors' Pension Improvement Act of 1978; or

(B) households with incomes which do not exceed the greater of -

(i) an amount equal to 150 percent of the poverty level for such State; or

(ii) an amount equal to 60 percent of the State median income;

(except that a State may not exclude a household from eligibility in a fiscal year solely on the basis of household income if such income is less than 110 percent of the poverty level for such State, but the State may give priority to those households with the highest home energy costs or needs in relation to household income.

(3) conduct outreach activities designed to assure that eligible households, especially households with elderly individuals or disabled individuals, or both, and households with high home energy burdens, are made aware of the assistance available under this title, and any similar energy-related assistance available under subtitle B of title VI (relating to community services block grant program) or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;

(4) coordinate its activities under this title with similar and related programs administered by the Federal Government and such State, particularly low-income

energy-related programs under subtitle B of title VI (relating to community services block grant program), under the supplemental security income program, under part A of title IV of the Social Security Act, under title XX of the Social Security Act, under the low-income weatherization assistance program under title IV of the Energy Conservation and Production Act, or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;

(5) provide, in a timely manner, that the highest level of assistance will be furnished to those households which have the lowest incomes and the highest energy costs or needs in relation to income, taking into account family size, except that the State may not differentiate in implementing this section between the households described in clauses 2(A) and 2(B) of this subsection;

(6) to the extent it is necessary to designate local administrative agencies in order to carry out the purposes of this title, to give special consideration, in the designation of such agencies, to any local public or private nonprofit agency which was receiving Federal funds under any low-income energy assistance program or weatherization program under the Economic Opportunity Act of 1964 or any other provision of law on the day before the date of the enactment of this Act, except that -

(A) the State shall, before giving such special consideration, determine that the agency involved meets program and fiscal requirements established by the State; and

(B) if there is no such agency because of any change in the assistance furnished to programs for economically disadvantaged persons, then the State shall give special consideration in the designation of local administrative agencies to any successor agency which is operated in substantially the same manner as the predecessor agency which did receive funds for the fiscal year preceding the fiscal year for which the determination is made;

(7) if the State chooses to pay home energy suppliers directly, establish procedures to --

(A) notify each participating household of the amount of assistance paid on its behalf;

(B) assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment made by the State under this title;

(C) assure that the home energy supplier will provide assurances that any agreement entered into with a home energy supplier under this paragraph will contain provisions to assure that no household receiving assistance under this title will be treated adversely because of such assistance under applicable provisions of State law or public regulatory requirements; and

(D) ensure that the provision of vendor payments remains at the option of the State in consultation with local grantees and may be contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households, including providing for agreements between suppliers and individuals eligible for benefits under this Act that seek to reduce home energy costs, minimize the risks of home energy crisis, and encourage regular payments by individuals receiving financial assistance for home energy costs;

(8) provide assurances that,

(A) the State will not exclude households described in clause (2)(B) of this subsection from receiving home energy assistance benefits under clause (2), and

(B) the State will treat owners and renters equitably under the program assisted under this title;

(9) provide that--

(A) the State may use for planning and administering the use of funds under this title an amount not to exceed 10 percent of the funds payable to such State under this title for a fiscal year; and

(B) the State will pay from non-Federal sources the remaining costs of planning and administering the program assisted under this title and will not use Federal funds for such remaining cost (except for the costs of the activities described in paragraph (16));

(10) provide that such fiscal control and fund accounting procedures will be established as may be necessary to assure the proper disbursement of and accounting for Federal funds paid to the State under this title, including procedures for monitoring the assistance provided under this title, and provide that the State will comply with the provisions of chapter 75 of title 31, United States Code (commonly known as the "Single Audit Act");

(11) permit and cooperate with Federal investigations undertaken in accordance with section 2608;

(12) provide for timely and meaningful public participation in the development of the plan described in subsection (c);

(13) provide an opportunity for a fair administrative hearing to individuals whose claims for assistance under the plan described in subsection (c) are denied or are not acted upon with reasonable promptness; and

(14) cooperate with the Secretary with respect to data collecting and reporting under section 2610.

(15) * beginning in fiscal year 1992, provide, in addition to such services as may be offered by State Departments of Public Welfare at the local level, outreach and intake functions for crisis situations and heating and cooling assistance that is administered by additional State and local governmental entities or community-based organizations (such as community action agencies, area agencies on aging and not-for-profit neighborhood-based organizations), and in States where such organizations do not administer functions as of September 30, 1991, preference in awarding grants or contracts for intake services shall be provided to those agencies that administer the low-income weatherization or energy crisis intervention programs.

*** This assurance is applicable only to States, and to territories whose annual regular LIHEAP allotments exceed \$200,000. Neither territories with annual allotments of \$200,000 or less nor Indian tribes/tribal organizations are subject to Assurance 15.**

(16) use up to 5 percent of such funds, at its option, to provide services that encourage and enable households to reduce their home energy needs and

thereby the need for energy assistance, including needs assessments, counseling, and assistance with energy vendors, and report to the Secretary concerning the impact of such activities on the number of households served, the level of direct benefits provided to those households, and the number of households that remain unserved.

2023-2024 Home Energy Assistance Program (HEAP) Summary of Public Comments

Written, faxed or e-mailed comments on the development of the 2023-2024 New York State (NYS) Home Energy Assistance Program (HEAP) State Plan were accepted by the New York State Office of Temporary and Disability Assistance (OTDA) from March 14, 2023 through April 14, 2023. The following provides a summary of the comments received by OTDA.

Alicia Landis, Esq., Supervisor of Direct Services and Counsel, Public Utility Law Project of New York

Suggests:

- Offer more hearings, both in-person and virtual, while also considering scheduling them by region. Greater advanced notice is also needed, as well as more advertising statewide.
- Include more clear opening and closing dates for all HEAP program components
- Coordinate with Governor's office, NYSERDA, and DPS for energy related messaging
- Take the Clean Energy Targets set by the Climate Leadership and Climate Protection Act into account when creating the state plan.
- Re-evaluate the electric base benefit to determine if it is supportive of the installation of heat pumps.
- Allow households to apply for HERR and Empower at the same time to install heat pumps.
- Combine MyBenefits with other low-income and energy efficiency programs online applications to streamline the process.
- Issue Crisis benefits automatically to anyone that receives a Regular benefit
- Allow Crisis benefits to non-customer of record if they received a Regular benefit.
- Refer Crisis benefit recipients to weatherization automatically.
- Stop requiring multiple bids for HERR and Clean and Tune
- Allow any vendor to complete HERR and Clean and Tune without enrolling with HEAP
- Allow more than 10 days to provide pended verification

**2023-2024 Home Energy Assistance Program (HEAP)
Summary of Public Comments**

- Permanently remove Cooling benefit medical requirement
- Issue a summer cooling cash benefit
- Allow applicants to appeal eligibility determinations
- Automatically enroll SSI recipients into HEAP

Written, faxed, and e-mailed comments were accepted, and testimony could be provided at four public hearings, which were held via Webex on August 1, 2023 at 10:00 AM and 5:00 PM and on August 3, 2023 at 10:00 AM and 5:00 PM. The following provides a summary of the comments received by OTDA.

Alicia Landis, Esq, Public Utility Law Project of New York

Supports:

Suggests:

- Offer more hearings, both in-person and virtual, while also considering scheduling them by region. Greater advanced notice is also needed, as well as more advertising statewide.
- Include more clear opening and closing dates for all HEAP program components
- Coordinate with Governor's office, NYSEERDA, and DPS for energy related messaging
- Take the Clean Energy Targets set by the Climate Leadership and Climate Protection Act into account when creating the state plan.
- Re-evaluate the electric base benefit to determine if it is supportive of the installation of heat pumps.
- Allow households to apply for HERR and Empower at the same time to install heat pumps.
- Combine MyBenefits with other low-income and energy efficiency programs online applications to streamline the process.
- Issue Crisis benefits automatically to anyone that receives a Regular benefit
- Allow Crisis benefits to non-customer of record if they received a Regular benefit.
- Refer Crisis benefit recipients to weatherization automatically.
- Stop requiring multiple bids for HERR and Clean and Tune
- Allow any vendor to complete HERR and Clean and Tune without enrolling with HEAP
- Allow more than 10 days to provide pended verification
- Permanently remove Cooling benefit medical requirement
- Issue a summer cooling cash benefit
- Allow applicants to appeal eligibility determinations
- Automatically enroll SSI recipients into HEAP
- Have district workers affirmatively ask applicants if they have a protective order due to domestic violence
- Don't allow HEAP payments to be applied to arrears
