

Earned Income
Tax Credits

Get All the Credit You Deserve with EITC

The Earned Income Tax Credit (EITC) is a credit you can receive based on the money you earn from your job. The amounts vary, depending on your marital status, family's earned income, and number of qualified children. Even if you do not owe taxes you may still be eligible for this credit. For more information, visit www.myBenefits.ny.gov

For information and help filing your federal taxes, or to find a VITA Center Call the IRS: **1-800-829-1040**. For help with NYS taxes call: **518-457-5181**.
