

Targeted Food Stamp Outreach RFP

Issue Date: 6/21/2011

Description:

The purpose of the Targeted Food Stamp Outreach is to secure the services of eligible organizations to develop and implement innovative ways to connect potentially eligible individuals with food stamp benefits. This RFP also seeks outreach to geographic areas of the State that have not previously been served with Food Stamp outreach activities. The goals of Food Stamp outreach are to help people make an informed decision about whether to apply for the program, and ultimately to increase participation by eligible individuals and families. This outreach RFP is focused particularly on reaching the newly unemployed, working poor, elderly, legal immigrants, and those who do not apply for the program because they believe that they are likely to receive only a small monthly allotment.
