

OTDA EBT RFP Bidder's Notice

January 30, 2013

All Bidders,

Please review the following information carefully.

In accordance with Section 2.4 of the Northeast Coalition of States (NCS) Electronic Benefit Transfer RFP, the NCS is extending the Proposal Due Date until **Wednesday February 6, 2013 at 2PM Eastern Standard Time**.

Due to the proximity of this notice to the previously stated proposal due date, the NCS will act as an escrow agent for any Bidder who so requests, by holding the Bidder's proposal until the proposal due date. In addition, the NCS will allow Bidders the option to submit replacement pages and instructions for page replacement up until Wednesday February 6, 2013 at 2PM Eastern Standard Time to be held in escrow for the NCS to insert into the Bidder's original proposal upon bid opening.

Any replacement pages submitted must include the date of revision and be labeled as a replacement page and conform in all other respects with the Section 13 Proposal Requirements as well as all RFP requirements. Bidders must submit 20 printed copies, one of which shall be marked "original" with one CD labeled "Replacement Pages" containing the replacement page files. Submission of replacement pages shall be mailed or delivered to the address listed in Section 13.1 of the RFP.

In addition, the Due Date for Letter of Intent to Bid is extended until **Monday, February 4, 2013**.

Thank you for your continued participation in this procurement.

We apologize for any inconvenience.

Thank you,

Al Rios
