**LOCAL COMMISSIONERS MEMORANDUM**

**Transmittal No:** 92 LCM-91

**Date:** June 17, 1992

**Division:** Administration

**TO:** Local District Commissioners

**SUBJECT:** Preliminary ADC Collection Goals for SFY 1992-93 and  
Incentive Information

**ATTACHMENTS:** Preliminary ADC IV-D Collection Goal SFY 1992-93  
(Attachment available on-line)

The New York State Legislature, through Chapter 53 of the laws of 1992, has set the ADC collection goal for state fiscal year 1992-93 (4/1/92-3/31/93) at \$136,400,000, the same as the goal for state fiscal years 1990-91 and 1991-92. Additionally, the Department, subject to approval of the Director of Budget, is authorized to retain a percentage of federal incentive payments received under Title IV-D of the federal Social Security Act. The percentage retained is equal to the total 1991-1992 state costs incurred in administering Title IV-D activities divided by the total 1991-92 state and local costs incurred in administering Title IV-D activities. However, the total amount retained by the state shall not exceed \$6,500,000.

The attached list contains the preliminary distribution of the \$136.4 million ADC collection goal for SFY 1992-93 for each district. Experience with the factors used to formulate the allocation methodology since 1979 has demonstrated reliable relationships. Therefore, the same methodology was used in determining the preliminary goals shown in the attached. We are presently requesting approval from the Division of Budget for the goals so that we may issue them in final form by Administrative Directive. As in prior years, we expect individual county goals, as approved in final form, will not vary significantly from the preliminary goal.
