SUBJECT: Federal Rule Processing Garnishment Orders for Child Support

ATTACHMENTS: Attachment I - OCSE-AT-93-07 (Not Available On-Line)

Federal Rule at 5 CFR PART 581 sets out requirements for processing garnishment orders for child support/alimony against Federal entities. The final rule included certain amendments to the regulations as noted by Federal OCSE in the Action Transmittal and also provides an up-to-date list and address of agents of Federal entities designated to receive legal process (including income executions issued by local districts).

Please share this LCM with your Child Support Enforcement Coordinators for reference purposes when issuing income executions to Federal employers. If there are any questions, please contact your OCSE County Representatives at 1-800-342-3012.
