DSS-4037EL (Rev. 9/89)

Transmittal No: 94 LCM-59

Date: May 25, 1994

Division: Services & Community
Development

TO: Local District Commissioners

SUBJECT: Child Care and Development Block Grant (CCDBG) Draft Plan

ATTACHMENTS: CCDBG Draft Plan (Not available on-line)

The purpose of this LCM is to share the Child Care and Development Block Grant draft Plan and application with social services districts and to encourage interested districts to comment on the draft. The draft Plan must also be made available to the public upon request. If you would like a copy of any of the attachments referenced in the Plan, please contact the number below.

The development of the CCDBG draft Plan followed the five public hearings held across the State in December, 1993 to gain public input into the State's next two-year Block Grant Plan. The draft Plan reflects the majority of the input gained through the hearings and is not substantially different than the first three-year Plan, which was submitted in July, 1991.

Unfortunately, the federal government allowed very little time for States to submit their Plans. The State's CCDBG Plan and application must be received by the US Department of Health and Human Services by June 20, 1994. Therefore, any comments you may have must be received by COB on June 8, 1994 in order to be included in the final deliberations on the Plan. Comments should be directed to:
