TO: Local District Commissioners

SUBJECT: Teleconference on Establishing Paternity - March 15, 1995

ATTACHMENTS: None

The Office of Field Operations in collaboration with the Office of Human Resource Development is presenting a teleconference on Wednesday, March 15, 1995 on the subject of "Establishing Paternity". It will be similar to others presented in the recent past on topics like the Front End Detection System (FEDS) and Group Recertification. There will be downlink sites throughout New York State which should be convenient for most local districts. The program is scheduled for 10 a.m. to 12 noon and will include videotape and panel presentations by county and State staff.

A number of counties will present their "best practices" which have led to high rates of paternity establishment. State staff will provide information and suggestions on this topic as well.

A formal announcement will be forthcoming in the near future. If you have questions on this matter, please refer to them to Diane Ley of the Albany Regional Office of Field Operations at (518) 432-2466.
