I. PURPOSE

This Administrative Directive (ADM) notifies social services districts of the January 1, 1996 revisions to the Medical Assistance (MA) regional rates used to determine the period of limited coverage (penalty period) for persons determined to have made prohibited transfers of assets.

II. BACKGROUND

Chapter 170 of the Laws of 1994 amended Section 366.5 of the Social Services law to set forth transfer-of-assets provisions required by the Omnibus Budget Reconciliation Act of 1993. When a person, or the person's spouse, makes a prohibited transfer (as explained in 96 ADM-8), the person may be ineligible for MA coverage of certain services for a period of time.

The period of ineligibility is the number of months equal to the uncompensated value of the transferred assets divided by the MA regional rate established for the region in which the person is institutionalized. The period is intended to approximate the length of stay in an institution which the transferred assets would have purchased. The MA regional rates are updated annually, effective January 1st. The rates for 1996 are based on the actual average nursing home cost for each of the seven regions in the State, rather than 120% of the MA rate, as has been used in the past.

III. PROGRAM IMPLICATIONS

The revised MA regional rates are used to calculate a penalty period for persons who have made prohibited transfers of assets and who first apply for MA on or after January 1, 1996.

The MA regional rates effective January 1, 1996 are:

<u>Region*</u>	<u>Monthly Rate</u>
Central	\$ 4,536
Long Island	\$ 6,790
New York City	\$ 6,521
Northeastern	\$ 4,810
Northern Metropolitan	\$ 5,930
Rochester	\$ 4,852
Western	\$ 4,380

*See the attachment for county listing by region.

IV. REQUIRED ACTION

As specified in 89 ADM-45, 91 ADM-37, and 96 ADM-8, a penalty period must be established when an institutionalized MA-Only applicant/recipient (A/R), or the spouse of the A/R, has made a prohibited transfer of assets. The MA regional rate used to determine the penalty period is the rate for the region in which the individual is institutionalized. Districts must use the rate in effect for the year in which the individual first applies as an institutionalized person.

Social services districts must use the January 1, 1996 MA regional rates to establish the penalty period for any institutionalized person determined to have made a prohibited transfer of assets who has MA eligibility first determined for the month of January, 1996 or later.

A. RECALCULATING THE PENALTY PERIOD

Districts must recalculate the penalty period for an institutionalized A/R who became MA eligible on or after January 1, 1996, if the January 1, 1995 regional rates were used to estimate the penalty period.

Districts must review these cases as soon as possible, since a recipient's penalty period may change based on the new rates. When a penalty period has previously been calculated for a recipient who continues to reside in the community and who is not in receipt of home and community-based waived services, no recalculation of the penalty period is required until the individual becomes in need of nursing facility services.

B. NOTICE REQUIREMENTS

Social services districts must provide notices to A/Rs whose MA coverage is being limited due to a prohibited transfer of assets. The notices contained in 91 ADM-37, 95 ADM-17, and 96 ADM-8 must be used to meet this requirement.

When a social services district recalculates a penalty period for a person in receipt of nursing facility services, who first applied for MA as an institutionalized person on or after January 1, 1996, the district must advise the client of any change in the penalty period. Attachment II to 93 ADM-27, "Notice of Change in Limited Coverage Period For Institutionalized Person" must be used.

V. SYSTEMS IMPLICATIONS

None.
