Section 2

I. Purpose

The purpose of this informational letter (INF) is to inform Social Services Districts (SSDs) that the process to request a waiver for Temporary Assistance (TA) recertifications has been simplified. SSDs no longer are required to submit a detailed waiver request of a mail-in recertification process needing OTDA approval. SSDs can now request recertification waivers by submitting the attached Notification of Recertification Waiver(s) form.

II. Background

In accordance with Office regulation, 18 NYCRR §351.21(c), SSDs may use a mail-in recertification form as a substitute for one of the two mandatory semi-annual TA face-to-face recertifications for certain TA cases upon OTDA approval. Additionally, SSDs have the option to request a waiver that would allow one face-to-face TA recertification every 24 months for non-parent caregiver (NPC) cases.

SSDs that currently have approval for one or both of these waivers have found the mail-in process to be an effective administrative tool in targeting select segments of the TA caseload. The Welfare Management System (WMS) provides support for this process, including the option of using WMS to generate a model mail-in recertification form as an attached form to a Client Notices System (CNS) mail-in recertification notice.

III. Program Implications

OTDA will no longer require submission or Office approval of a proposal outlining an SSD's plan for the standard use of recertification waivers. An SSD's submission of the Notification of Recertification Waiver(s) form is notification to OTDA that the SSD is implementing the indicated waiver(s). SSDs that wish to implement recertification waivers should complete the attached form indicating which waiver(s) they are implementing and submit it to:

Phyllis Morris, Acting Deputy Commissioner
New York State Office of Temporary and Disability Assistance
Center for Employment and Economic Supports
40 North Pearl Street, 11 FL
Albany, NY 12243

A variation of the standard waiver requires a proposal outlining the variation to the standard waiver, and OTDA approval. SSDs must not implement proposed variations of the standard waiver prior to OTDA approval. Proposals must also be submitted to Phyllis Morris, Acting Deputy Commissioner at the address above.

Recertification waivers are only allowed for certain populations. Therefore, SSDs must refer to 06 ADM-10, 05 INF-24 and 09 INF-21 to ensure they are applying the waiver(s) correctly.

SSDs currently using a previously approved mail-in recertification process are not required to submit the attached form.

Issued By

Name: Phyllis Morris
Title: Acting Deputy Commissioner
