Section 2

I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to inform social services districts (districts) of revisions to the LDSS-4925: "Employability Code Desk Guide TANF and SNA MOE" and LDSS-4926: "Employability Code Desk Guide SNA non-MOE."

II. Background

These desk guides provide districts with a comprehensive summary of employability codes that are used to identify a Temporary Assistance (TA)¹ applicant's or recipient's employability status based on the district's review of specific case circumstances and to identify the potential effect that the employability code may have on the federal or State participation rate calculation. The LDSS-4925: "Employability Code Desk Guide TANF and SNA MOE" provides a summary of the employability codes that apply to TA households with dependent children and the LDSS-4926: "Employability Code Desk Guide SNA Non-MOE" provides a summary of the employability codes that apply to TA households without dependent children.

¹ Whenever 'Temporary Assistance' or 'TA' is used in this document, it means 'Family Assistance' and 'Safety Net Assistance.' Statutorily, these programs are referred to as 'Public Assistance.'

III. Program Implications

Districts are encouraged to make the revised LDSS-4925: “Employability Code Desk Guide TANF and SNA MOE” and the LDSS-4926: “Employability Code Desk Guide SNA Non-MOE” available to staff responsible for determining a TA applicant’s or recipient’s employability status.
