Section 2

I. Purpose

The purpose of this Informational Letter is to inform social services districts (districts) that the January 1, 2018 federal cost-of-living adjustment (COLA) for Title II Retirement, Survivors and Disability (RSDI) Social Security benefits and Title XVI Supplemental Security Income (SSI) benefits has been set at 2.0%. The updated SSI/SSP Benefit Levels Chart with an effective date of January 1, 2018 is attached.

II. Background

The Social Security Administration (SSA) adjusts RSDI and federal SSI benefits to reflect the increase in the cost of living. This COLA increase is based on the change in the Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers (CPI-W) from the third quarter of the previous year to the third quarter of the current year.

III. Program Implications

This year, there was an increase in the CPI-W from the third quarter of 2016 to the third quarter of 2017. Due to this CPI-W increase, recipients of RSDI and SSI will have a COLA applied to benefits beginning in January 2018.

The 2018 COLA for RSDI and federal SSI benefits is 2.0%. As authorized by Chapter 56 of the Laws of 2017, the full amount of the 2018 federal COLA will be passed along to all recipients of optional or mandatory SSI State supplementation.

Please note, the corresponding Personal Needs Allowance (PNA) for persons in Congregate Care Levels 1, 2 and 3 have increased from their 2017 level. Residents of Congregate Level 1 facilities will see an increase in their PNA of \$3.00 dollars to \$144.00. Congregate Care Level 2 recipients will see their PNA increase \$3.00 to \$166.00 and PNA for Congregate Care Level 3 recipients will increase \$4.00 to \$198.00. These increases are effective in January 2018.

The attached SSI and SSP Benefit Levels Chart for 2018 reflects the 2.0% federal COLA increase and the statutory change noted above. The chart is provided as a resource for informational purposes. The chart is also found on Centraport under Desk Guides and on the OTDA Intranet website. The increase in income that results from the COLA for Temporary Assistance (TA) and Supplemental Nutrition Assistance Program (SNAP) recipients will be addressed in upcoming releases.
