SUBJECT: Required Adjustment to Food Stamp Standard Utility Allowance (SUA)
 Values

EFFECTIVE DATE: April 1, 2011

CONTACT PERSON: Food Stamp Bureau, at 1-800-343-8859 ext. 3-1469

Background

Federal regulations require an annual adjustment to the Standard Utility Allowance values. Under waiver, states can choose to adjust biennially. The federal government has directed all states that opted to waive a 2010 adjustment to their SUA values, to have an adjustment done by April 1, 2011. New York State last adjusted SUA values in February 2009. That adjustment was based on the record high fuel and energy costs of July, 2008 and subsequent months. Despite recent increases in fuel and energy costs, current costs are substantially less than they were during the last two quarters of 2008. Therefore, with this adjustment, SUA values will decrease.

Purpose

The purpose of this GIS is to inform districts that there will be a **DECREASE** to the Standard Utility Allowances (SUA) used to figure the amount of food stamp benefits a household gets. These changes are required under federal regulation and reflect changes to fuel, utility, and heating prices since the last change to these amounts in February 2009. It also is to notify local district staff that notices regarding this change currently are being sent to affected households. A copy of the mass notice is attached to this GIS.

Beginning April 1, 2011 the following SUA amounts go into effect:

	<u>Heating/Air Conditioning</u>	<u>Other Utility</u>
Nassau & Suffolk Counties	\$669.00 (formerly \$727.00)	\$263.00 (formerly \$286.00)
	<u>Heating/Air Conditioning</u>	<u>Other Utility</u>
Rest of State	\$593.00 (formerly \$645.00)	\$240.00 (formerly \$261.00)

The telephone SUA for all counties remains unchanged at \$33.00.

The maximum projected decrease in monthly benefits, due to the SUA change, for a household in Nassau and Suffolk Counties is \$17.00. The maximum projected decrease, due to the SUA change, for all other Counties outside NYC, Nassau, and Suffolk Counties is \$16.00.

The monthly decrease due solely to the SUA change will not exceed \$20.00 in any instance

For households with aged/disabled members that experience a benefit reduction due to the SUA change, at the next contact with the household, the LDSSs should carefully explore the possibility that such households have unreported or unclaimed Excess Medical Expense Deductions that could mitigate the impact of the SUA reduction on their benefits.

The change to the SUA values resulted in changes to the NYSNIP standard benefit amounts. Only benefit amounts for Shelter Types 95 and 97 were affected.
