Notice to all SNAP Recipients

Important! Please Read!

The Supplemental Nutrition Assistance Program (SNAP)

is the new name for the Food Stamp Program (FSP)

Beginning October 1, 2012, some items used to figure the amount of SNAP benefits a household gets will change. These changes are a result of **federally-required** changes to the following standards and deductions.

The Standard Deduction for households of one to three persons will increase by \$2, from \$147 to \$149.

The Standard Deduction for households of four persons will increase by \$5, from \$155 to \$160.

The Standard Deduction for households of five persons will increase by \$6, from \$181 to \$187.

The Standard Deduction for households of six or more persons will increase by \$6, from \$208 to \$214.

The SNAP Maximum Excess Shelter Deduction will increase by \$10, from \$459 to \$469.

The new Standard Utility Allowance (SUA) amounts, as of October 1, 2012 are:

	New York City		Nassau / Suffolk Counties		Rest of State	
	Old SUA Values	New SUA Values	Old SUA	New SUA	Old SUA	New SUA
Heating / Air Conditioning SUA	\$736	\$725	\$685	\$675	\$608	\$599
Basic Utility SUA	\$291	\$287	\$269	\$265	\$246	\$242
Phone SUA	\$33 (Unchanged for all Counties)					

(Note: SUA values other than the Phone SUA include amounts for water, sewage and trash collection.)

These changes may affect the amount of SNAP benefits you get. Depending on your individual circumstance the amount of your monthly SNAP benefit may not change or it may decrease or increase as a result of these changes.

The maximum SNAP benefit amount per household size, known as the "Thrifty Food Plan" amount, will not change.

The minimum SNAP benefit amount that a one or two person household can receive, \$16.00 per month, will not change.

The State Regulations which allow us to do this are 18 NYCRR 387.10, 387.12 and 387.15.

Reporting Rules:

Most SNAP households with income only have to report changes every six months. Every six months, you either will be asked to recertify, or will be mailed a form for you to use to report changes. **The one exception to this rule is if your household's gross monthly income becomes more than 130% of the federal poverty level.** Your gross income includes all income any member of your household receives during the calendar month before taxes and other deductions are taken out.

See Chart below: The dollar amount shown under your household's size shows the new 130% of poverty income limit for your household, as of October 1, 2012. If your household's gross monthly income becomes more than this amount, you must report the new, higher income amount to your social services office by phone, in writing, or in person within 10 days after the end of the month.

If you think we made a mistake in figuring your October SNAP benefits due to above noted changes, you may ask for a state fair hearing, *within 90 days of when your October 2012 SNAP benefits become available.* You can ask for a fair hearing by writing to: Office of Administration Hearings, New York State Office of Temporary and Disability Assistance, P.O. Box 1930, Albany New York 12201 or you may call toll free: 1-800-342-3334.

LEGAL ASSISTANCE: If you think that you need a lawyer to assist you with this problem, you may be able to get a lawyer at no cost to you by contacting your local Legal Aid Society or other legal advocate group.

Every six months, you either will be asked to recertify, or will be mailed a form for you to use to report changes. **The one exception to this rule is if your household's gross monthly income becomes more than 130% of the federal poverty level.** Your gross income is the amount of income before taxes and other deductions are taken out, not the amount you receive when you receive your check. Your total gross monthly income includes all income any member of your household receives during the calendar month.

See Chart below: The dollar amount shown under your household size shows the new 130% of poverty income limit for your household, as of October 1, 2012. If your household's gross monthly income is greater than this amount, you must report the new gross monthly income amount to your social services office by phone, in writing, or in person within 10 days after the end of the month.

Some households still must report changes affecting their eligibility for or the amount of their SNAP benefits within 10 days of the month following the month in which the change occurred. You must follow this reporting rule, **if your household receives Temporary Assistance, or if your household has no income at all, or if your household has no income earned from employment and all adults are either over age 60 or disabled, or if you receive SSI/SSD and you live in a state-certified group home. Also, if your household has a seasonal migrant farm worker, or if your household is certified for fewer than four months, or if your household is homeless ("undomiciled", without any shelter).**
