The purpose of this GIS is to inform you that USDA FNS will be upgrading the eDRS Production environment to reflect the next version of eDRS during the following timeframe:
Friday March 18th at 3:00 PM EST through Sunday March 20th at 12-Midnight EST.

All eDRS services (Web Services and eDRS Online application) will be unavailable during this rollout period. This means you will not be able to access eDRS Production during this time. The eDRS Production environment will be up and available the morning of Monday, March 21, 2016.

Additionally, eDRS Matches will not be available on the clearance report during this outage. Any applications/clearances occurring during this blackout period will be subsequently run off-hours once the service is restored and reported to the districts on the WINR9510 report.
