- 1. Q. Appendix L Contractor or Subcontractor Questionnaires: If there have not been any changes since completion in May, 2011 may we resubmit these forms as previously included in our response to the Buffalo/Rochester/Utica CE Contract RFP? This request does not apply to Appendix L, Physician Background Questionnaires, which will be completed and signed anew.**
- A. The NYS-OTDA Contractor/Subcontractor Background Questionnaire must be completed within six months of the proposal submission date. The form can be completed online with OSC at <http://www.osc.state.ny.us/vendrep/index.htm> but it still must be certified every six months.**
