

Equipment Rental: Mail System Opener

Issue Date: 9/23/2011

Description:

The New York State Office of Temporary and Disability Assistance (OTDA) intends to lease mail system equipment, pursuant to its discretionary authority under State Finance Law Section 163(6), which authorizes purchases without a formal competitive process in certain circumstances, including purchases from New York State small businesses and from businesses certified pursuant to Article 15-A of the New York State Executive Law. Interested parties should e-mail Ms. Connie Blais to discuss this opportunity. Specifications include: Pitney Bowes Model DM1100 or equivalent Mail System w/scale, table, printer, and Pitney Bowes Model 1250 or equivalent mail opener. The mail machines will be located in Processing Centers located across the state, including NYC. The mail machines must be able to use a non-commercial OMRF meter which will be hooked up to an analog phone line utilizing the Pitney Bowes Postage By Phone system. The DM1100 or equivalent that will be located in Albany, NY, must be able to connect and interface with the Pitney Bowes D1950 High Speed Folder Inserter. The DM1100 or equivalent meters will automatically transmit mail piece count data and usage figures in the form of reports. These mail machines must be able to handle insert envelopes and outgoing envelopes flats as well as standard 11 window and 6 x 10 1/4 Window envelopes.
