

Description:

The services of one contractor for each location are requested. Each offeror must clearly demonstrate through past experience the capacity to provide:

1. An examination facility located in Manhattan and/or Westchester County, New York. The facility must be centrally located to all major highways and be within reasonable walking distance of public transportation.

2. Qualified physicians, psychologists, speech-language pathologists, health care professionals and administrative/clerical staff to schedule, arrange and conduct specialty medical examinations and diagnostic testing and prepare and submit consultative examination reports in accord with specified reporting requirements and time frames.

3. Physician consultation services for disability case review and adjudication.

Eligibility/Qualifications Requirements/Preferences

The offeror will provide an examination facility in full compliance with Federal, State and local operating requirements. Physicians must be licensed and board certified or board eligible. Psychologists, speech-language pathologists, and other health care workers must have appropriate licenses or certificates. The organization and staff may not be disciplined, sanctioned, censured and/or suspended from providing services by any governmental regulatory agency.
