Boroughs of the Bronx and Queens and Nassau and Suffolk Counties (BQNS)**

OFFICIAL QUESTIONS AND ANSWERS

March 27, 2014

- 1. Q. Page 23, III.A. Technical Proposal. The RFP states “Two electronic copies on CD in Microsoft Office Word Document must be submitted according to the following outline and include each of the items specified.” May we include files in another format on the CD, i.e. TIFF, Excel, PDF, instead of Word files for items such as sample EKG’s, PFT’s, or other documents which are not generally created in Word?**

A. Yes.

- 2. Q. Appendix Q Reporting Requirement Forms does not contain reporting requirements for Optional service 94720 Measurement of Lung Diffusing Capacity. What are the reporting requirements for Optional Service 94720 Measurement of Lung Diffusion Capacity?**

A. See Attachment 1 (Reporting Requirements for Testing for Diffusing Capacity for Carbon Monoxide) for the reporting requirements for Optional Service 94720 Measurement of Lung Diffusion Capacity.

- 3. Q. In a recent RFP that we responded to, there was an Encouraging Use of New York State Businesses in Contract Performance form. Is this form required for this RFP?**

A. This form was inadvertently omitted from the required forms attachment. Please complete the Encouraging Use of New York State Businesses in Contract Performance form posted to the website and include it with your proposal.
