These funds support local school systems in which significant numbers of refugee children reside. The federal Office of Refugee Resettlement (ORR) specifies that use of these funds must relate to the education and/or acculturation of refugee school-age children. Construction and renovation costs are not allowable under this program.

OTDA/BRIA anticipates distributing approximately \$5 million in Refugee School Impact Grant (RSIG) funds for 60-month contracts under this procurement. All program funds are subject to continued availability and State appropriation thereof. All funds allocated for the administration of the program are received from the ORR. [Note: New York State has been awarded \$1,000,000 for 12 months of operation and anticipates being awarded 4 additional years.]
