Candidates Must Meet the Following Qualifications:

NY HELPS: These titles are part of the New York Hiring for Emergency Limited Placement Statewide Program (NY HELPS).

For the duration of the NY HELPS Program, these titles may be filled via a non-competitive appointment, which means no examination is required, but all candidates must meet the non-competitive minimum qualifications for these titles. At this time, OTDA may recruit and hire employees by making temporary appointments. In May 2024, if a temporary NY HELPS employee is satisfactorily performing in the position, the appointments will be changed from temporary pending Civil Service Commission Action to permanent non-competitive, and the official probationary period will begin.

At a future date (within one year of permanent appointment), it is expected employees hired under NY HELPS will have their non-competitive employment status converted to competitive status, without having to compete in an examination. Employees will then be afforded all of the same rights and privileges of competitive class employees of New York State. While serving permanently in a NY HELPS title, employees may take part in any promotion examination for which they are qualified.
