This is to introduce revisions to the DSS-4015-C, the continuous pinfeed version of the DSS-4015: "Notice of Intent to Change Benefits: PA, FS, MA Coverage and Services (Timely and Adequate)" (copy attached). It will have a Revision Date of "10/91". The DSS-4015-C is different from the DSS-4015 (7/91) version of this client notice only in the pinfeed format.

This version of this client notice was developed as a result of a New York Public Welfare Association Systems Committee survey. In the survey, a significant number of districts indicated they would utilize continuous pinfeed notices either with a personal computer program or to assist in manually typing notices, if they were made available. Because of the high usage of the DSS-4015, and the ability, therefore, to print a large enough quantity for it to be cost-effective, it was selected to be printed in a continuous format in addition to its regular format.

Attached also is a mock-up showing the revised specifications layout which is needed to reprogram the location and spacing of the print fields. This reprogramming must be completed before the 10/91 version is used. Further questions on this mock-up can be directed to Bob Clingerman in the Office of Systems Development at 1-800-342-3715, extension 4-2473.

Delivery of the DSS-4015-C to the Albany warehouse is expected in January 1992. Your district will not automatically receive copies.
