DSS-4037EL (Rev. 9/89)

Transmittal No: 93 LCM-23

Date: March 15, 1993

Division: Field Operations

TO: Local District Commissioners

SUBJECT: NYPWA Winter Conference: Distribution of Materials

ATTACHMENTS: Attachment I: Overview of Client Notices
(Not available on-line)
Attachment II: PA and FS Closing/Denial Reason Codes
(Not available on-line)
Attachment III: MA Reason Codes
(Not available on-line)

Enclosed are materials distributed by System Support and Information Services, Economic Security and Health and Long Term Care at the NYPWA Winter Conference. Included in the Client Notices package is a general description of the subsystem being developed and scheduled to be piloted beginning in April 1993. Also in this package is a sample notice and subsystem screens. The listing of PA and FS reason codes includes denial and closing reasons and individual ineligible reasons. The MA package includes closing codes for use at either the case or individual level. These codes will be implemented statewide, possibly in the fall of this year.

If you have any questions, contact Wendy DMitri at 1-800-342-3715, extension 44068.

Acting Director
Office of Field Operations
