DSS-4037EL (Rev. 9/89)

Transmittal No: 93 LCM-182

Date: December 30, 1993

Division: Economic Security

TO: Local District Commissioners

SUBJECT: Preliminary ADC IV-D Collection Goals for SFY 1993-94

ATTACHMENTS: Preliminary ADC IV-D Collection Goal SFY 1993-94
(Available on-line)

The New York State Legislature, through Chapter 53 of the laws of 1993, has set the ADC collection goal for state fiscal year 1993-94 (4/1/93-3/31/94) at \$136,400,000, the same as the goal for state fiscal years 1990-91, 1991-92 and 1992-93.

The attached list contains the preliminary distribution of the \$136.4 million ADC collection goal for SFY 1993-94 for each district. Experience with the factors used to formulate the allocation methodology since 1979 has demonstrated reliable relationships. Therefore, the same methodology was used in determining the preliminary goals shown in the attached. We are presently requesting approval from the Division of Budget for the goals so that we may issue them in final form by Administrative Directive. As in prior years, we expect individual county goals, as approved in final form, will not vary significantly from the preliminary goal.

As always, OCSE staff are available to assist each local district in its efforts to increase child support collections. Please feel free to have your child support enforcement staff contact their county representative for assistance.

Please share this LCM with your Child Support Enforcement Unit.
