This RFP includes training projects needed to support the Department's six major priorities aimed at reshaping the social services system. It was developed in consultation with Department and local district staff using information collected through the budget process and the extensive training needs assessment process at the State and local level. A draft of the RFP was reviewed and approved by each Department program area, administrative staff and the Statewide Staff Development Advisory Committee.

If you have any questions about the RFP, please call Bruce Muller, Director, Bureau of Local Staff Development and Training Resources, Office of Human Resource Development, at (518) 474-5956.
