The purpose of this release is to introduce the revised (9/95) DSS-4231: "Option To End Your Sanction" form. This form provides basic information to clients regarding options to end employment-related sanctions.

The following are the changes to the (10/92) version of DSS-4231 which were incorporated into the 9/95 revision.

1. The revision date on the top left corner of the form was changed to (Rev.9/95).
2. The sanction time periods in the "Home Relief" section have been revised.

The revised 9/95 version of the DSS-4231 is expected to be delivered to the Upstate (Albany) warehouse sometime in February, 1996. The Spanish version of this form (DSS-4231-S) is not printed but a clear 9/95 master copy will be available at the same time for those districts who may need to photocopy it.

Local districts will not automatically receive copies of these forms. In order to insure that usage of the revised forms begins right away, we recommend that local districts photo copy the attached form until new supplies are available. Requests for supplies of both the English version of this form and the Spanish camera ready copy should be submitted on Form WMS-47 (Rev. 9/89): "WMS Order Form", and should be sent to:
