Section 2

I. Purpose

The purpose of this Informational Letter is to provide local Departments of Social Services with a revised listing of district of fiscal responsibility (DFR) and drug/alcohol contact persons.

II. Background

The New York Public Welfare Association (NYPWA) requested a DFR work group be organized to address issues identified by districts arising as a result of Section 62.5 of the Social Services Law. The work group was comprised of staff from several state agencies and representatives from a number of counties. A recommendation of the work group was to update the listing of district of fiscal responsibility (DFR) and drug/alcohol contact persons.

III. Program Implications

Attachment A to this INF contains the updated listing.
