- [1] The combined federal and State SSI benefit provided to eligible individuals and eligible couples with no countable income.
- [2] The *Living With Others* category includes recipients whose federal benefit has been reduced by the "value of the 1/3 reduction" (VTR) due to the federal determination that they are both:
 - a) living in someone else's household, and b) receiving some amount of free or subsidized food and shelter (room and board).
- [3] Applies when an SSI recipient is residing in a medical facility, is not expected to return home within 3 months, and Medicaid is paying for at least 50% of the cost of care.
- [4] Recipients in nursing homes licensed by DOH receive an additional monthly grant of \$20 issued by OTDA called a State Supplemental Personal Needs Allowance (SSPNA).
- [5] This zero State supplement applies: a) when an SSI recipient is residing in a private medical facility and Medicaid is paying for less than 50% of the cost of care, or b) when a recipient resides in certain publicly operated residential facilities serving 16 or fewer residents, or c) while a recipient resides in a public emergency shelter for 6 calendar months during a 9 month period.
