¹ The combined federal and State SSI benefit provided to eligible individuals and eligible couples with no countable income.

² The *Living With Others* category includes recipients whose federal benefit has been reduced by the "value of the 1/3 reduction" (VTR) due to the federal determination that they are both: *a*) living in someone else's household, *and b*) receiving some amount of free or subsidized food and shelter (room and board).

³ Applies when an SSI recipient is residing in a medical facility, is not expected to return home within 90 days, and Medicaid is paying for at least 50% of the cost of care.

⁴ Recipients in nursing homes licensed by DOH receive an additional monthly grant of \$25 issued by OTDA called a State Supplemental Personal Needs Allowance (SSPNA). Residents of other medical facilities receive an SSPNA of \$5.

⁵ This zero federally-administered State supplement applies: *a*) when an SSI recipient is residing in a private medical facility and Medicaid is paying for less than 50% of the cost of care, *or b*) when a recipient resides in certain publicly operated residential facilities serving 16 or fewer residents, *or c*) while a recipient resides in a public emergency shelter for 6 calendar months during a 9 month period.
