| | | |

Social Services can give you education and counseling about birth control and can assist you in getting medical care to help you plan for your desired family or to prevent unwanted pregnancies.

Even if you are no longer eligible for Public Assistance or Medical Assistance, you may get information and education about family planning for up to 90 days from the date of your application.

For further information, please contact your services worker or call the general phone number on the front of this notice.

- If you know of children under the age of 19 who do not have health care coverage, call 1-800-698-4543 to learn about Child Health Plus coverage.
- Regulations require that you immediately notify this Department of any changes in needs, income, resources, living arrangements or address.
- Although you may no longer be able to get Public Assistance, Food Stamp Benefits or Medical Assistance, you still may be able to get help with your heating costs by applying for the Home Energy Assistance Program (HEAP). You can get more information on HEAP by calling the general telephone number on the front page of this notice.
