

Attachment IIA: Menu Screen Shot

Attachment IIB: Anatomy of a VED Hit Screen

(Sensitive data has been removed)

VED TALX hit

The "Insurance Available" and "Insurance Enrolled" will be populated if the data is known. Otherwise they will appear blank

"Source" describes how the hit was verified:
T = TALX Corp;
M = Manual Verification

"File Date" is the date the hit was verified

NUM 9:28 AM

"W-4 Date" is the date of the most recent submission of a W-4 to NDNH. This could indicate either a new hire or a change to a previously submitted W-4

VED Hits require that both a Resolution and Supplemental code be entered. See Att. I for a list of appropriate codes

The "Employer Number" is either the Federal Employer Identification Number or the employer's TALX ID Number

Pg=1 Row=23 Col= 78 POLL

Session has been established NUM 9:19 AM

The image is a screenshot of a Windows XP desktop. The primary window is the "Attachmate Accessory Manager - [TTPSEU]" application. It has a menu bar with "File", "Edit", "View", "Tools", "Session", "Options", "Window", and "Help". Below the menu is a toolbar with icons for file operations (new, open, save, print, delete, copy, paste, undo, redo) and session management (connect, disconnect, refresh, help). The main display area has a blue background and contains the following text:
WCTOUW CASE/REG NUMBER LIST INQUIRY BY PAGE 001 OF 001
DISTRICT MONR OFFICE UNIT FCP32 WORKER DATE 11/20/2007
CASE/REG # CASE NAME RESOURCE - AGE
\$ WRS BDX UIB NHR FRM VED
01-V
Below this is a table with 10 rows of dashes representing data. At the bottom of the window, a status bar shows "Pg=1 Row= 1 Col= 1" and "POLL".
At the bottom of the screen is the Windows taskbar. It includes the "start" button, a "Session has been established" notification, and several open applications: "Inbox - Microso...", "Attachmate Acc...", "TextPad - [H:\A...", and "2 Microsoft Of...". The system tray on the right shows the "NUM" indicator, the time "3:14 PM", and the date "3:14 PM".
