

NYSERDA Residential Financing Product Information

The New York State Energy Research and Development Authority (NYSERDA) offers New York State residents two reduced-interest rate loan products to finance qualified residential energy efficiency improvements, as authorized by the Green Jobs-Green New York Act of 2009 and the Power NY Act of 2011. The two loan products are: 1) a Smart Energy Loan, repaid in installments to NYSEERDA's loan servicer; and 2) an On-Bill Recovery Loan, repaid through an installment charge on your utility bill.

Following is a summary of the terms and conditions of each type of loan:

Loan Type	Smart Energy Loan	On-Bill Recovery Loan
Eligible for Financing	Eligible energy efficiency improvements to a 1- to 4- unit residential building by a participating BPI-accredited Home Performance with ENERGY STAR contractor. The improvements may include ancillary "health and safety" improvements, provided they do not exceed 15% of the total cost and a maximum of \$2,000. The list of eligible energy efficiency improvements is contained at: http://www.energyfinancesolutions.com/assets/pdfs/consumer_eligible_measures.pdf	
Program Cost-Effectiveness Requirements	<p>Either:</p> <p>a) Pre-qualified eligible energy efficiency improvements are at least 85% of the total loan amount; or</p> <p>b) The estimated energy cost savings over the anticipated life of all eligible energy efficiency improvements must be at least 80% of the total principal and interest to be paid on the loan.</p>	<ul style="list-style-type: none"> • The monthly loan installment payment may not exceed 1/12th of the estimated average annual energy cost savings from the improvements over the loan term.
Future energy savings will include forecasted utility rate increases of .8% per year.		
Borrower Eligibility	<ul style="list-style-type: none"> • An applicant and/or co-applicant who owns a 1- to 4- unit residential building, or who leases or manages such building and who has the authority to contract for energy efficiency improvements in the structure. 	<ul style="list-style-type: none"> • An applicant and/or co-applicant who owns a 1- to 4- unit residential building. To be approved for loans, an applicant and/or co-applicant must meet NYSERDA credit standards, which include:

- satisfactory credit score (or demonstrated history of satisfactory energy bill and mortgage payment);
- acceptable level of income relative to outstanding debt obligations;
- no bankruptcies, foreclosures, or repossessions within the last 7 years (5 years if demonstrated history of satisfactory energy bill and mortgage payment); and,
- not more than \$2,500 in outstanding collections, charge-offs, liens and judgments.

If either applicant is unable to meet the eligibility requirements, the applicants may be able to meet combined eligibility requirements. If so, both will be listed as co-borrowers on the Note and will be jointly and severally liable.

The following information is reviewed to determine the applicant's eligibility for either loan:

- Credit Application
- Documentation of income stated on Application
- A credit report inquiry will be made to obtain your FICO score, monthly obligations, and other information
- Additional items, as necessary
- For the On-Bill Recovery Loan, a title company under contract to NYSERDA will search public records to determine ownership of the property
