TANF Allocation Plan for State Fiscal Year 2015-2016  
FFFS Plan Template Instructions**

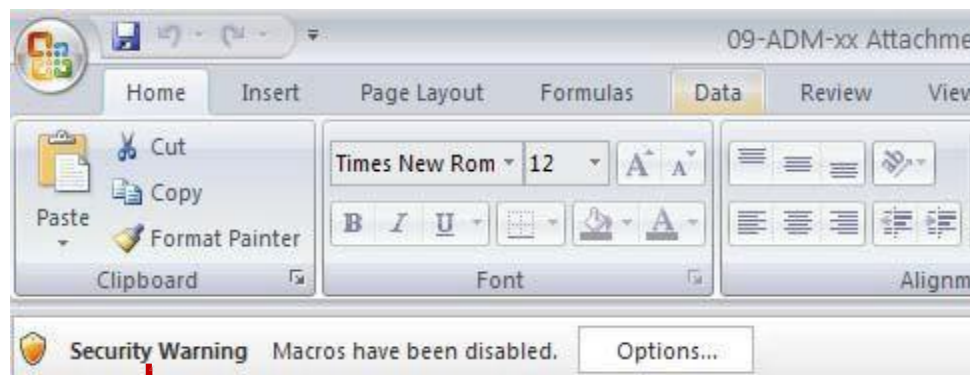

## Introduction

A file application was developed in Microsoft Excel that allows for the completion of the Flexible Fund for Family Services (FFFS) Plan. The file, which will be referred to as Template throughout these instructions, is teal for the 15-16 FFFS Plan Year.

During the FFFS 15-16 plan year, submission, revisions and corrections to the Template will be made in SharePoint. Please refer to the separate SharePoint instructions (located in the Shared Documents library in SharePoint) on how to open, access, edit, save or submit the Template.

In order to navigate throughout the Template, the macros, which automates frequently used tasks, must be enabled. To enable the macros follow the steps below:

1. For users of Microsoft Office 2007
  - a. The FFFS Plan Main Menu is displayed when the Template is opened, but security needs to be set each time Excel is opened. Underneath the ribbon (toolbar), the following security warning is displayed:

Once the macros have been enabled you will be able to enter data, and view and print different pages of the Template. The Main Menu is the central point of the Template which will allow users to navigate from one section to the next.

The Main Menu is divided into 3 sections. The sections include:

- **Create Reports:** this section is for data entry, contains unlocked cells, and will allow for districts to distribute their FFFS allocation to different program areas.
- **View Reports:** this section is for viewing only. All the cells in this section are locked and no data can be entered. Data that was entered in the Create Reports section will flow through to the View Reports section.
- **Print Reports:** This section is for printing only. Clicking on any of the buttons in this section will not open up any pages but instead, will automatically send the page selected to print.
