Pilot Program for Reducing Your Child Support Arrears

We are conducting a pilot program in which certain noncustodial parents may have an opportunity to reduce their child support arrears (past due support) owed to the local social services district (SSD).

*You have been identified as a noncustodial parent who may meet the criteria for the pilot program. Eligible individuals can enter into an agreement with their local Support Collection Unit (SCU) to reduce the money owed to the SSD by up to \$5,000 per account. In certain circumstances, interest on your judgment **may** also be waived.*

To learn more, please call the SCU at the contact number given below to set up an appointment:

SCU Name	SCU Contact Number
----------	--------------------

This opportunity is only available to you if you call the SCU at the number above by December 1, 2015. Please note that if you have child support cases in other counties participating in this pilot program, you may receive additional notices and will have to call the other SCU(s) to set up separate appointment(s). If after speaking with the SCU you are still interested in participating in the pilot program, the SCU will set up an appointment with you to prepare and sign a Participation Agreement before **December 31, 2015.**

If you have any questions about this notice or the pilot program, please call the SCU at the contact number provided.

**Successful participation in this pilot may also make you eligible for the New York State Noncustodial Parent Earned Income Tax Credit!
