Revised October 15, 2019

¹ The combined federal and State SSI benefit provided to eligible individuals and eligible couples with no countable income.

² The *Living With Others* category includes recipients whose federal benefit has been reduced by the "value of the 1/3 reduction" (VTR) due to the federal determination that they are both:

a) Living in someone else's household; and, b) receiving some amount of free or subsidized food and shelter (room and board).

³ Applies when an SSI recipient is residing in a medical facility, is not expected to return home within 90 days, and Medicaid is paying for at least 50% of the cost of care.

⁴ Recipients in nursing homes licensed by DOH receive an additional monthly grant of \$25 issued by OTDA called a State Supplemental Personal Needs Allowance (SSPNA). Residents of other medical facilities receive a SSPNA of \$5.

⁵ No State supplement is provided: a) when a SSI recipient is residing in a private medical facility and Medicaid is paying for less than 50% of the cost of care, or b) when a recipient resides in certain publicly operated residential facilities that serve fewer than 16 residents, or c) when a recipient resides in a public emergency shelter for 6 calendar months during a 9-month period.
