It is call information so IMA receives it at a client to bring any additional records to ble mode of transportation, if needed. It will also ensure that temporary the est if needed to complete the		

Scheduling: County will schedule examinations by phone (or other secure method). IMA (will/will not) automatically reschedule the client after the first no-show. On a daily basis, IMA will securely contact the referring district worker or listing the names for the examinations completed, show/no shows for the day and an estimate of the date the reports will be provided to the district.
Type of Examinations : Physical, Psychological and Intelligence examinations. Ancillary testing or additional examinations will (be added as needed based on the doctor's discretion and with the prior approval of) or (will require approval of) County DSS. The district will identify the reason for the examination (either employment/eligibility related [including SSI/SSDI recommendations or ability to comply with ILP] or Medicaid Aid to Disabled) to ensure the proper report form is used by IMA.
Fee : The fee for each examination will be in accordance with the contractually agreed upon fee rate between OTDA and IMA (see attachment B), which is set for the duration of the contract cycle County DSS will submit a revenue intercept letter (see attachment D) to Michael Cody, or any subsequent employee identified by OTDA authorizing OTDA to intercept dollars from the district's RF-2 or RF-2A federal settlement to cover the cost of the examinations County DSS will claim the appropriate shares based upon client category and in accordance with guidelines established in 22-LCM-XX.
Medical Reports : IMA will review and consider all records or information provided by the individual, their treating health care practitioner, or County DSS that are pertinent to the claimed medical/psychological condition and provided at or within 4 business days of the examination or obtained through ancillary testing approved by County DSS. IMA will provide
County with a signed, typed report. The completed report will be (method of delivery) to (District title[s]). The forms designated by OTDA will be used. The district will receive the report no more than 20 days after the examination is requested, unless the district requests the contracted provider schedule a third appointment due to a missed exam. Also, the report must be provided no later than 10 business days after the examination is performed.
Billing/Vouchering : Each month IMA will generate an Excel spreadsheet, as well as a hard copy, of the name, CIN #, case #, exam type, exam reason and testing for each client seen during the month. IMA will send them to OTDA together with a completed "standard voucher" with the total amount due for the month (one voucher per month). OTDA receives a monthly voucher and summary of examinations and verifies services billed with district staff County receives medical reports, as produced on a daily basis, but no invoice. Districts will be required to verify in a timely manner to OTDA the examinations/testing and receipt of the reports from the contractor.
Outcomes : Outcomes generated by IMA will be recorded on log, indicating if the client showed for appointment and results of the doctor's evaluation. At the end of each month, the log will be reconciled with the spread sheet from IMA and results will be distributed to the counselor for appropriate action and a monthly report will be generated. Authorization for payments to IMA issued by OTDA will be based on medical reports being reconciled with IMA's records.
Reporting: County will submit quarterly outcome reports to OTDA.
Other: Both County and IMA agree to any performance reviews by OTDA County and IMA will notify all involved parties of any significant changes in scope (i.e. target population, notification process, etc.) to this Statement of Work.
