2023-2024 Youth Employment Program (YEP) Performance Goals and Planned Program Details

Providers electing to offer education and/or career exploration components must limit these non-employment activities to no more than 20% of each provider's total 2023-2024 enrollments.

If any YEP participants will be engaged in educational/non-employment activities only, describe the target population for individuals planned to be engaged in non-employment-based activities.

Describe the types of non-employment activities planned for this cohort of YEP participants.

At least 80% of YEP program participants must be engaged in traditional paid employment activities with no more than 30% of hourly participation for these YEP participants in non-employment activities such as career exploration, mentoring outside the workplace, financial literacy, or education.

Describe any non-employment based and/or educational activities planned for YEP participants that are also participating in paid employment:

Outline the total hours dedicated to non-employment activities for the YEP participant and the total hours of enrollment (including paid employment) for these YEP participants. Include information about any partner organizations supporting these components:

Financial literacy curriculum and Sexual Harassment Prevention Training must be offered to all youth enrolled in the YEP, regardless of whether they are engaged in employment or educational activities. This instruction must be offered to YEP participants between the January 1, 2024 and June 30, 2024 program dates. **Please note:** For youth who participated in the 2023 SYEP, additional financial literacy and sexual harassment prevention training is recommended but not required.
