SUBJECT: Delayed Mailing of March Periodic Reports (LDSS- 4310)

EFFECTIVE DATE: Immediately

CONTACT PERSON: FS Bureau 518-473-1469

This is to notify local districts that the March mailing of some Periodic Reports was delayed. The mailing delay affected approximately 1600 of the periodic reports mailed to several upstate districts.

At this time we are aware that the delay affected reports mailed to some recipients in the following counties: Chautauqua, Cattaraugus, Allegany, Steuben, Schuyler, Chemung, Tompkins and Washington. Other districts also may be affected. As a consequence, **we are directing the above listed districts and any other districts that receive reports of late receipt of periodic reports to permit affected households until May 10th to return the reports. Workers should not close the cases of any affected households in April for failure to return or late return of the Periodic Report.**

We apologize for any inconvenience this may cause.
