Section 2

The purpose of this GIS is to provide guidance on the status of the following computer matches and fraud referral programs: PARIS Match, Massachusetts Border Match, SNAP & TANF NDNH Match, and Web/Recipient Fraud Referrals. In response to the outbreak of COVID-19 these matches were temporarily suspended, as to not put additional stress on social services districts while handling the influx of clients. As the State is now slowly opening back up, these matches will resume effective immediately.
