Section 2

The purpose of this GIS message is to notify all Districts that, due to a file transfer issue, the Daily Unemployment Insurance Benefit (UIB) match in RFI has not run since Friday, May 29, 2020. This means that any UIB income for new applicants would not have been posted to RFI after that date.

Be assured that we are working with ITS to fix this issue as soon as possible and will be certain to follow up with you as soon as it is resolved.
