Section 2

It is critical that New York State and social services districts (districts) be prepared to act quickly and efficiently to a disaster or in response to an emergency. Whether the next emergency is caused by man or nature, recent experience reinforces the importance of emergency preparedness and the need for cooperation among federal, State, and local agencies to address the needs of disaster victims and families with emergency needs. Since contact numbers must be operational on a 24-hour basis, many districts choose to designate either their disaster operations center or the county sheriff's office.

We have provided the County Social Services Emergency Contact Numbers below that are currently on record for upstate districts and NYC HRA and ask that you review the information and provide us with any updates or confirmation that all the information remains the same.

To ensure that your county information is included in the annual State Supplemental Nutrition Assistance Program (SNAP) Disaster Plan filed with the United States Department of Agriculture and the State Emergency Management Office, please send the appropriate contact and phone number to OTDA by Wednesday, July 1, 2020. Responses should be sent via e-mail to:

Ellen.Rinaldi@otda.ny.gov or by calling Ellen Rinaldi at the number listed above. ***If your district contact information has not changed, please respond indicating there are no changes necessary.***

Your prompt response is appreciated.
