Section 2

In response to the outbreak of COVID-19 and in accordance with the United States Department of Agriculture (USDA), Food and Nutrition Services (FNS), the Office of Temporary and Disability Assistance (OTDA) released GIS 20 TA/DC049, GIS 20 TA/DC055 and GIS 20 TA/DC066 advising social services districts (districts) of the ability to accept telephonic signatures on applications filed over the telephone or submitted without a signature for individuals and families who are applying for or receiving assistance through Supplemental Nutrition Assistance Program (SNAP)-only, Temporary Assistance (TA), Supplemental Nutrition Assistance Program (SNAP) or Medicaid (MA) on a TA case.

The purpose of this GIS is to inform districts that FNS has extended its approval of a temporary adjustment to the requirements for recording telephonic signatures for SNAP applications filed over the telephone or submitted without a signature to August 31, 2020. During the time that this SNAP adjustment is in effect, TA, or MA on a TA case applications may also be accepted over the telephone.

Districts choosing to implement telephonic applications must adhere to the guidelines as outlined in GIS 20 TA/DC049 and must also use the OTDA program-specific script (attachments 1 and 2 GIS 20 TA/DC049).

The expiration of provisions contained in this message may be extended by future guidance.
