Section 2

The purpose of this GIS is to inform social services districts (districts) that the United States Department of Health and Human Services (HHS) recently published its annual update of the HHS poverty guidelines to account for increases in prices over the last calendar year as measured by the Consumer Price Index for All Urban Consumers (CPI-U). The figures on the chart provided below represent 200% of the Federal Poverty Guidelines for a given family size, both by monthly and annual income. These revised figures are effective June 1, 2021 through May 31, 2022.

The revised chart should be used when determining eligibility for TANF-funded “non-assistance” programs consistent with the provisions outlined in [00-LCM-20 TANF Services for Individuals and Families with Incomes up to 200% of the Federal Poverty Level](#) and by [16-LCM-03](#) which made changes to the [LDSS-4725 TANF Services Application/Certification Review Form \(Rev. 2/16\)](#); the [LDSS-4726 TANF Services Application/Certification \(Rev. 2/16\)](#); and, the [LDSS-4770 TANF Youth Services Application \(Rev. 2/16\)](#).

Please make sure that both district staff and contracted service providers are made aware of the revised chart.

No further directive will be issued regarding this change.
