Section 2

The purpose of this General Information System (GIS) message is to inform social service districts (districts) that the PUB-5118 WORK PAYS INFOGRAPHIC has been revised. This publication is designed to support the promotion of work and self-sufficiency for low-income households, particularly working families.

This publication provides districts with a tool to help illustrate the advantages of employment and explain the impact of job entry on a Temporary Assistance (TA) household's benefits and eligibility.

This publication is intended to be used by stakeholders who interact and work with low-income households, such as districts, Career Center partners, other government agencies, community-based organizations (CBO), employers, and employer associations. Districts are strongly encouraged to share this resource with their local partners as appropriate.

This publication now encompasses the following publications into one Infographic:

- PUB-5118 – Work Pays Infographic – Upstate (rev 3/21)
- PUB-5119 – Work Pays Infographic – Downstate (rev 3/21)
