INDEPENDENT AUDITORS' REPORT

The Board of Directors
Homeless Housing and Assistance Corporation:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Homeless Housing and Assistance Corporation (the Corporation), a New York State public benefit corporation, as of and for the years ended March 31, 2022 and 2021, and the related notes to financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Homeless Housing and Assistance Corporation, as of March 31, 2022 and 2021, and the changes in financial position, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for twelve months beyond the financial statement date, including any current known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate

operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 8, 2022 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Corporation's internal control over financial reporting and compliance.

HOMELESS HOUSING AND ASSISTANCE CORPORATION

Management's Discussion and Analysis

March 31, 2022 and 2021

The Homeless Housing and Assistance Corporation (the Corporation) is a component unit of the State of New York (the State) and reports its activities as an enterprise fund following generally accepted accounting principles established by the Governmental Accounting Standards Board (GASB). As an enterprise fund, the Corporation reports under the accrual basis of accounting. The government wide financial statements required by GASB Statement No. 34 are the only statements required for this entity.

Chapter 215 of the laws of 1990 established the Homeless Housing and Assistance Corporation as codified under Section 45-c of the Private Housing Finance Law. Pursuant to this, the Corporation is authorized to administer the Homeless Housing and Assistance Program (HHAP). The Corporation is a New York State public benefit corporation and a subsidiary of the New York State Housing Finance Agency (HFA). HFA issues bonds, which are the source of capital funds utilized by the Corporation.

HOMELESS HOUSING AND ASSISTANCE CORPORATION

Notes to Financial Statements

March 31, 2022 and 2021

(1) Organization

The Homeless Housing and Assistance Corporation (the Corporation), a New York State public benefit corporation, was established on June 8, 1990, by the Legislature of the State of New York (the State). The Corporation is a component unit of the State and is included in the State's financial statements. The Corporation was created to administer the Homeless Housing and Assistance Program (HHAP) that was formerly administered by the Department of Social Services (DSS), now known as the New York State Office of Temporary and Disability Assistance (OTDA). Funding received by the Corporation is used for the purpose of expanding the availability of housing for homeless persons by preserving and creating affordable housing. The monies may be used to construct new properties, rehabilitate under-utilized property, or convert vacant nonresidential property to residential use for occupancy by persons of low income who are homeless. The Corporation's Board of Directors is comprised of the Commissioner of OTDA, the Commissioner of the Housing Finance Agency (HFA), and a member appointed by the Commissioner of OTDA. In addition, the Board of Directors includes a non-voting advisory member consisting of the Commissioner of New York State Office of Alcoholism and Substance Abuse Services (OASAS). The Board is chaired by the Commissioner of OTDA.

(2) Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements is as follows:

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The Corporation's reports are based on all applicable GASB pronouncements.

(b) Basis of Presentation

The accompanying financial statements have been prepared in accordance with GAAP for government entities as prescribed by the GASB for enterprise funds. The Corporation reports its financial activity in one enterprise fund.

(c) Estimates

The preparation of the financial statements in accordance with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(d) Cash

For purposes of reporting cash flows, cash includes money market accounts and any highly liquid debt instruments purchased with a maturity of three months or less.

HOMELESS HOUSING AND ASSISTANCE CORPORATION

Notes to Financial Statements, Continued

(2) Significant Accounting Policies, Continued

(e) Concentration of Credit Risk

Financial instruments that potentially subject the Corporation to concentrations of credit risk consist principally of cash accounts in financial institutions. Although the accounts exceed the federally insured deposit amount, management does not anticipate nonperformance by the financial institution.

(f) Mortgage Notes and Accrued Interest Receivable

The Corporation considers that the collection of its mortgage notes and accrued interest receivable are not reasonably assured and, accordingly, has fully reserved the balances. Repayments of the notes are considered revenue when received.

(g) Investments

The investment policy of the Corporation stipulates that the Corporation may invest in obligations of the State, the United States government, repurchase agreements, or money market deposit accounts. Repurchase agreements must be collateralized by obligations guaranteed by the United States government, which are equal in value to the repurchase agreement. The agreements shall not exceed sixty days and payment shall be made only upon delivery of collateral to the Corporation's agent. All investments and related collateral are held by the Corporation's agent in the Corporation's name.

(h) Capitalization and Depreciation

Equipment is recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of revenue, expenses and changes in net position.

(i) Unearned Revenue and Revenue Recognition

The Corporation recognizes appropriations from the State at the time capital projects or mandated expenditures are recognized. Interest income is recognized as revenue when earned. Other revenues are recognized as cash is received.

(j) Capital Projects Expenditures

Capital projects expenditures consist of awards to fund projects for eligible homeless housing facilities. Project costs include the costs of any or all undertakings necessary for planning, financing, land acquisition, demolition, construction, rehabilitation, equipment and site development, per Social Services Law Section 42(3), other than project costs which the commissioner finds to be necessary in accordance with Social Services Law 43(9); and technical assistance expenditures. Disbursements are made upon approval of certified vouchers. Claims which have approved certified vouchers and are not paid at March 31 are shown as "accounts payable."

HOMELESS HOUSING AND ASSISTANCE CORPORATION

Notes to Financial Statements, Continued

(2) Significant Accounting Policies, Continued

(k) Income Tax

The revenues of the Corporation are exempt from all federal and state income taxes under the provisions of its enabling legislation.

(l) Subsequent Events

The Corporation has evaluated subsequent events through the date of the report which is the date the financial statements were available to be issued.

(m) Risks and Uncertainties

The United States is presently in the midst of a national health emergency related to the COVID-19 virus. The overall consequences on a national, regional and local level are unknown, but have the potential to result in a significant economic impact. The impact of this situation on the Corporation and its future results and financial position is not presently determinable.

(3) Special Revenue Account - Administrative Expenses

OTDA provides administrative services to the Corporation. Services provided include, but are not limited to drafting policies and procedures, preparation and issuance of requests for proposals, evaluation of applications, recommendation of allocations of available funds, and technical assistance. Funds used to pay these services are held by the New York State Office of the State Comptroller. There were no costs charged to the Corporation for these services for the years ended March 31, 2022 and 2021.

(4) Mortgage Notes Receivable

On June 8, 1990, the DSS held mortgage notes receivable totaling \$10,031,340, that were made to project sponsors. These loans were made in accordance with Section 43 of the Social Services Law regarding homeless housing and assistance contracts. The mortgages were assumed by the Corporation at its inception.

At March 31, 2022 and 2021, the Corporation had recorded notes receivable of \$569,703,278 and \$507,076,439, respectively, and accrued interest totaling \$59,408,613 and \$51,728,906, respectively. Management of the Corporation considers that the collection of these mortgage notes and related accrued interest receivable are not reasonably assured and, accordingly, has fully reserved the balances. Revenue (note payments) is recognized when received by the Corporation. A summary of mortgage notes receivable at March 31, 2022 and 2021 is as follows:

HOMELESS HOUSING AND ASSISTANCE CORPORATION

Notes to Financial Statements, Continued

(5) Other Asset - Advances Receivable

The Corporation advances funds to various projects during the fiscal year. When services are performed by the contracting vendor and warrants are submitted to the Corporation, amounts are then recognized as an expense and reflected in the statements of revenue, expenses and changes in net position. At March 31, 2022, the advances receivable, net of allowance amounted to \$516,817. There were no advances receivable at March 31, 2021.

(6) Unearned Revenue

Unearned revenue amounted to \$41,185,454 and \$21,261,787 at March 31, 2022 and 2021, respectively. These amounts primarily represent appropriations from the State to the Corporation in advance of the period to be benefited.

(7) Related Party Transactions

Related party transactions for the years ended March 31, 2022 and 2021 are as follows:

(a) Fiscal Intermediary Fees

The Corporation pays quarterly fees to the New York State Department of Taxation and Finance (the Department) who acts as a fiscal intermediary for the Corporation. Fiscal intermediary fees incurred for the Department's services for the years ended March 31, 2022 and 2021 amounted to \$35,000.

(b) Due From Related Party

The HFA agreed to make up to \$500,000 in Infrastructure Development Demonstration Program (IDDP) funds available to the Corporation. No amounts were expended for the years ended March 31, 2022 and 2021.

(c) Component Unit

The Corporation is a component unit of the State and is included in the State's financial statements.

(8) Contingencies

The Corporation is involved in various claims and lawsuits against the Corporation arising in the normal course of business. Management believes that any financial responsibility that may be incurred in settlement of such claims and lawsuits would not be material to the Corporation's financial position.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Homeless Housing and Assistance Corporation:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of Homeless Housing and Assistance Corporation (the Corporation), a New York State public benefit corporation, which comprise the statement of net position as of March 31, 2022, and the related statements of revenue, expenses and changes in net position and cash flows for the year then ended, and the related notes to financial statements, and have issued our report thereon dated June 8, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON INVESTMENT COMPLIANCE WITH SECTION 201.3
OF TITLE TWO OF THE OFFICIAL COMPILATION OF CODES,
RULES AND REGULATIONS OF THE STATE OF NEW YORK**

The Board of Directors
Homeless Housing and Assistance Corporation:

We have examined the Homeless Housing and Assistance Corporation's (the Corporation), a New York State public benefit corporation, compliance with the requirements of Section 201.3 of Title Two of the Official Compilation of Codes, Rules and Regulations of the State of New York (Section 201.3) during the year ended March 31, 2022. Management is responsible for the Corporation's compliance with Section 201.3. Our responsibility is to express an opinion on the Corporation's compliance with Section 201.3 based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about the Corporation's compliance with Section 201.3. An examination involves performing procedures to obtain evidence about the Corporation's compliance with Section 201.3. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the Corporation's compliance with Section 201.3, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, the Corporation complied in all material respects with Section 201.3 during the year ended March 31, 2022.

In accordance with Government Auditing Standards, we are required to report significant deficiencies in internal control, violations of provisions of laws, regulations, contracts, or grant agreements, and abuse that are material to the Corporation's compliance with Section 201.3 and any fraud or illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain views of management on those matters. We performed our examination to express an opinion on Corporation's compliance with Section 201.3 and not for the purpose of expressing an opinion on internal control over compliance with Section 201.3 or other matters; accordingly, we express no such opinion. The results of our tests disclosed no matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of Corporation management, the Board of Directors, the New York State Office of the State Comptroller, and the New York State Authority Budget Office and is not intended and should not be used by anyone other than those specified parties.
