## Amendments to Guidelines Since Last Report

None

## Procurement Activity

The Memorandum of Understanding (MOU) between the Natural Heritage Trust (NHT) and the Office of Parks, Recreation and Historic Preservation (OPRHP) was previously renewed for a five-year term, at a rate of \$15,000 per year, ending February 29, 2024. The purpose of the MOU (HC00402) is to assist the HHAC in submitting proposed projects for review by the NHT and OPRHP. For the 2022-2023 fiscal year, \$15,000 was expended.

HHAC previously entered into a contract with EFPR Group, CPAs, PLLC for audit services. The term of the audit services agreement (HC00965) is April 1, 2018, through June 30, 2023, for a total expense of \$50,500. Payments are made on an annual basis. For the fiscal year 2021-22, \$10,300.00 was expended.

The HHAC MOU with the Office of General Services (HC10001) for webcasting of the HHAC Board meetings and other related services was previously extended to July 9, 2024. The not-to-exceed amount of the extension was \$38,160.00. For the fiscal year, HHAC has broadcast six bi-monthly meetings for a total cost of \$6,337.50.

The HHAC also procures various professional services to assist in the administration of the Homeless Housing and Assistance Program (HHAP) through a Technical Assistance (TA) Request for Qualifications (RFQ). A RFQ was released in December 2020, and current TA contracts are effective July 1, 2021, through June 30, 2026. The services provided by TA contractors are requested on an as-needed basis in accordance with an approved rate schedule and an approved work plan. The values of the contracts are equivalent to the value of the work assigned and performed to date and are limited in the aggregate by the HHAP statute and budget language. For the fiscal year, \$1,563,983.70 was expended under various TA contracts as outlined in the annexed list.
