

NEW YORK STATE
OFFICE OF TEMPORARY AND DISABILITY ASSISTANCE
40 North Pearl Street, Albany, New York 12243-0001

David A. Paterson
Governor

Temporary and Disability
Assistance Statistics
JANUARY 2010

Temporary Assistance

Temporary Assistance: Temporary Assistance recipients totaled 546,348 in January 2010, decreasing by 7,057 (-1.3%) from the previous month. Related expenditures totaled \$168,633,431 in January 2010, decreasing by approximately \$11.7 million (-6.5%) over December 2009.

Reporting Change Note: Beginning this month, New York City Family Assistance (FA) counts will no longer contain Emergency Assistance for Families (EAF) case, recipient and expenditure counts, as had been previous practice. This change will make New York City figures comparable to those for the rest of the state, where EAF is not counted. This change will affect statewide and New York City counts in all table columns containing FA counts (Tables 1 through 5 total TA counts, Table 6 FA-FP counts, Table 8 total and federally participating counts, and Table 9 FA-FP counts). In each case, the reporting change will reduce the affected counts from what they would have been in the absence of the change by 1,440 cases, 3,729 persons, 1,908 children and 1,821 adults. Associated expenditures were \$3,268,031. Changes from previous periods should be interpreted in this context. Also, statewide and New York City recipient counts in Aggregate Claims Tables 21 and 22 will be affected, but for January only. Net expenditures on Tables 21 and 22 are not affected by this change.

Food Stamps

Food Stamps: Recipients of Food Stamps numbered 2,699,586 in January 2010, increasing by 26,443 (+1.0%) over December 2009. Food Stamps expenditures totaled \$413,386,703 in January 2010, increasing by approximately \$6.7 million (+1.6%) over the previous month.

Supplemental Security Income

Supplemental Security Income: For January 2010, SSI recipients (including Mental Hygiene) totaled 668,783, decreasing by 3,652 (-0.5%) from the previous month. SSI expenditures in January 2010 totaled \$373,529,093 decreasing by approximately \$8.2 million (-2.1%) from December 2009.

Date Issued March 30, 2010

Footnote:

Data pursuant to a NYS Legislative mandate S. 6057-B/A. 9557-B, Chapter 57, L. 2004.

Based on local district claims submitted on claims Schedules A and C. Includes reimbursable expenditures for basic assistance, rent supplements, family shelters, domestic violence shelters, security deposits, transitional services, diversion transportation, diversion payments, and other non-assistance. These claims are net of cancellations and refunds, and include any reconciliations and supplemental claims applied to the month after initial expenditure reporting is done. Thus, these data differ from the expenditure data presented elsewhere in this document, which are derived from original payment issuance activity during the month, net of cancellations and refunds in that month.

District claiming activity for recent months is generally not complete before the statutorily required due date for this report. Thus, claims for recent months may appear substantially below those for earlier months. Claims tables in future months of this report will continue to include the historical periods above, adjusted for claiming activity occurring subsequent to this report.

Footnote:
Data pursuant to a NYS Legislative mandate S. 6057-B/A. 9557-B, Chapter 57, L. 2004.
Based on local district claims submitted on claims Schedules A and C. Includes reimbursable expenditures for basic assistance, rent supplements, family shelters, domestic violence shelters, security deposits, transitional services, diversion transportation, diversion payments, and other non-assistance. These claims are net of cancellations and refunds, and include any reconciliations and supplemental claims applied to the month after initial expenditure reporting is done. Thus, these data differ from the expenditure data presented elsewhere in this document, which are derived from original payment issuance activity during the month, net of cancellations and refunds in that month.
District claiming activity for recent months is generally not complete before the statutorily required due date for this report. Thus, claims for recent months may appear substantially below those for earlier months. Claims tables in future months of this report will continue to include the historical periods above, adjusted for claiming activity occurring subsequent to this report.

* Statewide and New York City participation rates are estimated from federal disaggregated reporting samples, which are the source of the rates used by the U.S. Department of Health and Human Services to determine if a state has met participation goals. Because the sample size is insufficient to permit rate estimates for non-NYC districts, rates for those districts are derived directly from automated systems data. Thus, Rest of State and New York City numerators and denominators will not sum to the statewide total. Estimates are from fourth quarter FFY 2009 samples.

* Statewide and New York City sanction rates are estimated from federal disaggregated reporting samples, which are the source of such data used by the U.S. Department of Health and Human Services to determine if a state has met participation goals. Because the sample size is insufficient to permit sanction estimates for non-NYC districts, data for those districts are derived directly from automated systems. Thus, Rest of State and New York City counts may not sum to the statewide total. This table uses a federal definition of sanction, and includes only persons who are deemed a work eligible individual and are sanctioned for non-compliance for work or substance abuse requirements. Estimates are fourth quarter FFY 2009 samples.
