

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the submission deadline stated in the Unsheltered and Rural Homelessness Special NOFO.

The CoC Priority Listing includes:

- Unsheltered Homelessness Set Aside New Project Listing – lists all new project applications applying for funding through the Unsheltered Homelessness Set Aside that were approved and ranked or rejected by the CoC.
- Rural Set Aside Project Listing – lists all new project applications applying for funding through the Rural Set Aside that were approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2022 CoC Program Registration process. Only 1 UFA Costs project application is permitted and must be submitted by the Collaborative Applicant. The UFA project must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and must be submitted by the Collaborative Applicant. The CoC Planning project must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All projects must be approved and ranked or rejected on the Project Listings. This includes funding for CoC Planning and UFA Costs, which must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

New York State Balance of State Continuum of Care
c/o Steering Committee

To Whom It May Concern:

The Lived Experience Advisory Board (LEAB), comprised of individuals who received services from, or work within our continuum and have lived experience with or are directly impacted by homelessness, are pleased to lend its support to the following projects put forth by the NY-525 Continuum of Care (CoC):

1. HUD CoC Rapid Rehousing Project, Cattaraugus Community Action, Inc.
2. FMS Rapid Rehousing, Interfaith Partnership for the Homeless
3. IPH Outreach, Interfaith Partnership for the Homeless
4. Sullivan County Rapid Rehousing Program, Action Toward Independence Inc.

As outlined in the NOFO, the NY-525 CoC will continue to deliver services upholding the housing first philosophy, utilizing coordinated entry in a trauma-informed manner.

The projects proposed for Special NOFO funding contain multi-faceted support activities that focus on hard-to-reach individuals with complex service needs. We intend to expand on rapid rehousing, rental assistance, landlord engagement specialist, case management and Social Security application assistance, which have yielded positive results for the clients engaged in our programs.

We believe these projects will drastically help the CoC by incorporating the perspectives of the population we are serving, ensuring access and insight to by the most vulnerable population and allows the CoC to draft responses, build policies, procedures and practices that address direct needs.

The Lived Experience Advisory Committee is an intersectional, trauma-informed body, focused on empowerment. Through prioritizing the insights and observations of individuals with lived experience, these takeaways inform our evaluation of potential projects and initiatives to combat homelessness throughout our CoC.

The development and strategic advancement of the proposed projects will bolster the support available to vulnerable members of this community. These projects will enhance the community's ongoing efforts to effectively serve those most in need.

Sincerely,

Adam Anderson
